

**Genesee County Metropolitan Planning Commission
Solid Waste Ordinance Waste Hauler Report
Instruction Sheet**

Section 1.

Reporting Quarter: The Solid Waste Ordinance Report shall be completed and remitted to the Genesee County Metropolitan Planning Commission quarterly along with proper required payment of fees. All reports must be submitted within 30 days following the end of the quarter. Please check the appropriate reporting period on the waste report.

The quarters will be based upon a regular calendar year as follows:

1st Quarter: October 1 – December 31

2nd Quarter: January 1 – March 31

3rd Quarter: April 1 – June 30

4th Quarter: July 1 – September 30

Section 2.

Company Information: Include all requested information.

Section 3.

Number of accounts: Include the number of commercial and residential accounts where your company picks up waste within Genesee County.

Section 4.

Waste Disposed: The “Class of Waste” column shall include all waste collected only within Genesee County. The “Destination” column shall name the landfill where the waste from Genesee County was taken for disposal.

Calculation of the “Total” amount of waste collected shall be in cubic yards. The conversion factor to be utilized is three (3) cubic yards per ton. **For example, if 10 tons of waste were collected, the total cubic yards would equal 30.**

**The county surcharge only applies to waste collected in Genesee County and disposed of outside Genesee County. The surcharge for all waste collected and disposed of inside Genesee County is covered by the Genesee County landfill that accepted the waste.

To calculate the county surcharge, multiply the total cubic yards disposed of outside Genesee County by the \$0.12 per cubic yard county surcharge to determine the amount to be paid to the county for the surcharge. Remit a check in this amount, payable to the Genesee County Metropolitan Planning Commission with submission of the report.

Genesee County Metropolitan Planning Commission Solid Waste Ordinance Report For Waste Haulers

Completion of this form is required under the Genesee County Solid Waste Ordinance of 2002. Information provided in this report will be utilized to determine the amount of payment due under the required surcharge, as stated in the Ordinance, from your facility. It will also be utilized as a tool to determine the quantity of waste disposed and diverted from the County, along with the amount of material that is recycled.
