

IT ALL BEGINS WITH YOU!

GENESEE COUNTY
METROPOLITAN PLANNING COMMISSION
RECYCLE

Recycle Awareness School Presentation – 5th Grade

Recycle Awareness Lesson Outline ~15 min

- I. *What's the big deal about garbage?*
- II. *What can we do?*
 - a. Reduce
 - b. Reuse
 - c. Recycle
 - d. ReBuy
- III. *Summary*

Dumpster Diving Activity ~ 30min

Students will examine the contents of a "dumpster" in an exciting hands-on activity. Groups will search for recyclables and compete to reduce, reuse, and recycle the most waste.

Material Recycling Facility Tour (Video) ~ 10 min

Students will learn what happens to recyclables after they are picked up from the curb and how a material recycling facility operates.

Lessons include visual aids & FREE prizes for students!
