

Contractor Eligibility

Genesee County is requesting Statements of Qualifications from General Contractors. All responding qualified General Contractors will be placed on a list of Qualified Contractors maintained by the GCMPC for future rehabilitation of non-commercial residential structures throughout Genesee County. Only Qualified Contractors will be awarded contracts for home repairs and rehabilitation through the GCMPC.

Genesee County anticipates rehabilitating approximately 50 homes annually through the Home Improvement Program (HIP). General Contractor(s) deemed qualified by the County, will be given the opportunity to bid on designated homes in Genesee County selected by the GCMPC.

Please visit the Genesee County Purchasing Department, Current Bids web page to review all qualified contractor submission requirements.
