SECTION 1.0 PRE-APPLICATION INFORMATION

1.1 General Overview

Genesee County anticipates receiving an Emergency Solutions Grant (ESG) Program award for the 2017 Program Year (PY), distributed by the U.S. Department of Housing and Urban Development (HUD) in the *approximate* amount of \$142,256.00. ESG Program funds are authorized by the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009. Genesee County is inviting non-profit organizations, as described and exempt from taxation under Section 501(c) of Title 26 of the Internal Revenue Code, have an accounting system and a voluntary board, and practice nondiscrimination, to submit applications for programs that will provide emergency shelter, essential services, and/or homeless prevention activities for homeless or near homeless families, children, youth and individuals.

1.2 Program Description

The Emergency Solutions Grant (ESG) offers funding to help people regain stability in permanent housing after experiencing homelessness or for homeless prevention activities. Following a review of the distribution of ESG funding in Genesee County in recent years, and the Flint/Genesee County Collaborative Ten Year Plan to End Homelessness, Genesee County ESG funds will be distributed across four (4) eligible categories of the ESG grant: Emergency Shelter, Homeless Prevention, Rapid Rehousing, and Homeless Management Information Systems (HMIS).
