Activity Description:

In cooperation with local units of government and the Genesee County Land Bank Authority, GCMPC will identify vacant properties and demolished properties using local records and data. Structures will be identified in neighborhoods of greatest need and will be vacant single-family properties having a negative impact on neighborhood stability. Properties will be acquired at a minimum 1% discounted rate from the fair market value. Properties will be purchased from lenders and HUD. Acquired properties will be assessed to determine if rehabilitation funding is needed to bring homes up to Michigan Residential Code. The Genesee County Home Improvement Program will be the responsible organization for bidding and overseeing rehabilitation work. After rehabilitation properties will be suitable for purchase to be resold, through an eligible realtor, redeveloped or rented to assist households between 50% and 120% of median income or below. Households interested in purchase must qualify for financing through a conventional, FHA, VA or Rural Development mortgage and must attend at least eight hours of homeownership counseling. Downpayment assistance will be provided to NSP eligible recipients throughout the Genesee County target areas. Up to \$8,000 of downpayment assistance will be provided. Households not qualifying for a mortgage will be considered for a rental unit or lease-to-purchase situations.

Location Description:

Target areas of greatest need in Genesee County, outside the City of Flint.
