# GENESEE COUNTY METROPOLITAN PLANNING COMMISSION HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME) 2020 APPLICATION

## INTRODUCTION

The HOME Investment Partnerships Program (HOME) allocates funds to expand the supply of decent, safe, sanitary, and affordable housing for low-income families. The Genesee County Metropolitan Planning Commission (GCMPC) is now accepting applications from interested organizations and Community Housing Development Organizations (CHDO) to participate in our 2020 HOME Program. All CHDOs must also complete the CHDO Certification Application and submit it with the HOME Application. **Applications must be received no later than Friday, December 6, 2019 by 4:00 p.m.** to the Genesee County Metropolitan Planning Commission, County Administration Building, 1101 Beach Street, Room 223, Flint, MI.

GCMPC is the receiving office for all proposal submissions. GCMPC program staff will determine the eligibility of all proposals submitted for HOME funding and review proposals in accordance with the national program objectives under federal regulations. The Genesee County Community Development Program will form a review committee to evaluate eligible proposals in terms of federal and local program priorities, quality, and cost effectiveness.

The highest rated proposals will be considered for funding with Genesee County HOME Program funds. This Request for Proposals (RFP) solicits proposals from organizations to deliver projects, services, and/or activities that are consistent with the HOME priorities and objectives identified in the Genesee County 2015-2019 Consolidated Plan (safe, affordable, accessible homes; tenant based rental assistance; housing rehabilitation, etc.).

The terms of funding will be determined on a project by project basis. Funding may be awarded as equity investments, interest-bearing loans or advances, non-interest-bearing loans or advances, deferred payment loans, grants or other forms of assistance determined to be consistent with the goals of the HOME Program.

# HOME PROGRAM REQUIREMENTS

## ***Eligible Activities:***

Home funds may be utilized to support or develop affordable housing through:

- A. Acquisition of Real Property – The purchase of property for the rehabilitation or new construction of housing.
- B. Rehabilitation – The rehabilitation of existing single-family homes, multi-family housing units, or converted buildings for housing for low to moderate income households.
- C. New Construction – The construction of housing units for persons with low to moderate incomes.
- D. Direct Assistance to Low to Moderate Income Households – This may include Down Payment Assistance, Tenant-Based Rental Assistance, Affordable Mortgages, etc.

## Income Targeting

In general, for homeownership activities, annual household income cannot exceed 80% of area median income, adjusted for family size. For rental projects, virtually all HOME-assisted units will be occupied by households at 50% or less of median income, adjusted for family size. Fiscal year (FY) 2019 income levels are specified on page 12 (2020 income levels will be effective in the near future).

## Minimum and Maximum Per Unit Funding Limits

The minimum amount of HOME funds that must be invested in a Genesee County activity is \$1,000.00 times the number of HOME-assisted units in the project. U.S. Department of Housing and Urban Development (HUD) annually establishes and publishes a maximum per-unit subsidy for HOME Program funded projects. The 2015 (most recent available) maximum subsidy limits for Genesee County are:

0-bedroom	\$137,361
1-bedroom	\$157,466
2-bedroom	\$191,476
3-bedroom	\$247,708
4-bedroom	\$271,908

## Rent Limits

The HOME Program places long-term limits on rents that may be charged for HOME-assisted units. The 2019 Fair Market Rents range from \$484/month for an efficiency unit to \$1,028/month for a four-bedroom unit.

## Layering Analysis

A fund layering analysis must be conducted by the Genesee County Metropolitan Planning Commission Community Development Program to ensure that HOME funds are reasonable and necessary for all HOME-assisted projects. Please provide detailed information regarding other proposed or secured project funding from private, state, or federal sources (i.e. funding applications, letters of commitment, sources and uses statements, etc.).

## Market Demand

A current market demand study in the neighborhood where the project is to be located must be included with your application.

**EVALUATION CRITERIA**

The process for reviewing HOME proposals is designed to increase efficiency and standardize the evaluation of proposals. The Genesee County Community Development Program intends to ensure transparency and the delivery of unbiased recommendations to our governing body for approval to award HOME funds to for-profit and Community Housing Development Organizations. New applicants and those organizations that have been previously funded are encouraged to apply.

In evaluating proposals, Genesee County will consider the following:

- Organization's capacity to complete the requested forms and submit the required documentation by the application deadline;
- Organization's capacity to deliver proposed services and meet expected program outcomes;
- Organization's ability to comply with the County and federal standards related to the HOME Investment Partnerships Program (HOME); and
- Organization's current standing with the Genesee County Community Development Program, including performance on grants from previous years, as well as performance related to prior HOME funds that were committed.

All complete and timely applications that are determined eligible for HOME funding, and that meet national program objectives under federal regulations, will be evaluated using the following criteria:

- The proposed project is associated with one of Genesee County's approved Consolidated Plan/Annual Action Plan projects and serves one or more of the groups identified as in need of housing in the approved plan (15 points)
- Assessment of Market Demand identifies demand for the proposed project and was performed within the last 12 months, is based on current reliable data, proposed pricing is appropriate for the neighborhood and within HOME requirements (15 points)
- The budget provided is in sufficient detail to determine total project costs and funding (Yes or No)
- All necessary funding has been secured or will be secured prior to contract execution (Yes or No)
- Extent to which HOME funds will serve as "gap" financing or will be used to leverage non-County funds (20 points)
- The applicant has the financial capacity to complete the proposed project (Yes or No) (15 points)
- The applicant has the capacity to complete the proposed project as a developer as well as experience to manage the affordable housing program proposed here (15 points)
- The project schedule provides detail to ensure the project will be started and completed within the HOME Program requirements (20 points)

Please be advised that ALL housing development proposals must meet local building code standards. Attached, you will also find a copy of the current Genesee County Median Family Income information, Genesee County HOME Maximum Per-Unit Subsidy, Genesee County Fair Market Rents, and the Genesee County Bidding and Labor Standards Guidelines.
