

A meeting of the Transportation System Management (TSM) Subcommittee is scheduled for **Thursday, March 4, 2021 at 11:00 a.m.**

A Local State of Emergency within Genesee County related to COVID-19 was declared on March 13, 2020 and shall continue until the circumstances are such that the threat posed by COVID-19 is no longer a public health danger within Genesee County. In order to mitigate the spread of COVID-19, to protect the public health and provide essential protections to vulnerable citizens, it is crucial that all citizens take steps to limit in-person contact. These critical mitigation measures include social distancing and limiting the number of people interacting at public meetings. For these reasons, the March 4, 2021 Transportation System Management (TSM) Subcommittee meeting will be in a virtual format.

- III. Notice of FY 2021 Highway Infrastructure Program (HIP) Fund Allocations to Genesee County (Attachment)
- IV. Awarding HIP COVID Relief Funding (Discussion)
- V. Other
- VI. Adjournment

***** Action Item**

MEMORANDUM

TO: Members of the Transportation System Management (TSM) Subcommittee

FROM: Jacob Maurer, Lead Planner
Genesee County Metropolitan Planning Commission

DATE: March 4, 2021

SUBJECT: Notice of FY 2021 Highway Infrastructure Program (HIP) Fund Allocations to Genesee County

The Michigan Department of Transportation (MDOT) provided notice to GCMPC on February 16th of the FY 2021 Highway Infrastructure Program (HIP) Fund Allocations for Genesee County. This notice is for two sources of HIP funds, (1) the FY 2021 HIP fund, and (2) the FY 2021 HIP COVID Relief fund. The Flint / Genesee County Transportation Management Area (TMA) is receiving the following allocations:

- FY 2021 HIP Fund: **\$337,577**
 - Federal share is up to 81.85% with a 18.15% match requirement.
- FY 2021 HIP COVID Relief Fund: **\$2,308,398**
 - Federal share is 100% payable. No local match required.

Identified funds are to be assigned for local project selection through the Genesee County Metropolitan Alliance and programmed in Genesee County's FY 2020-2023 Transportation Improvement Program (TIP). The funds come with their own obligation authority with a statewide goal to program new projects immediately for fiscal year 2022. Doing so will provide immediate relief and help to alleviate impacts of COVID-19.

Eligible activities for both funds include the typical Surface Transportation Block Grant (STBG) program activities. The HIP COVID Relief fund includes a range of special eligibilities such as cost related to maintenance, operations, personnel, and coverage for other revenue losses.
