GENESEE COUNTY
METROPOLITAN PLANNING
COMMISSION

Genesee County

SOLID WASTE MANAGEMENT PLAN
AMENDMENT OVERVIEW

History

- ▶ Genesee County Solid Waste Management Plan Adopted 2002 – Initiated by EGLE
- ▶ Genesee County Solid Waste Management Plan Amended 2015
- ▶ Genesee County Solid Waste Management Plan Amendment 2021

Purpose of Solid Waste Plan

- ▶ State requires counties to have SWMPs to ensure disposal capacity for waste generated in the county

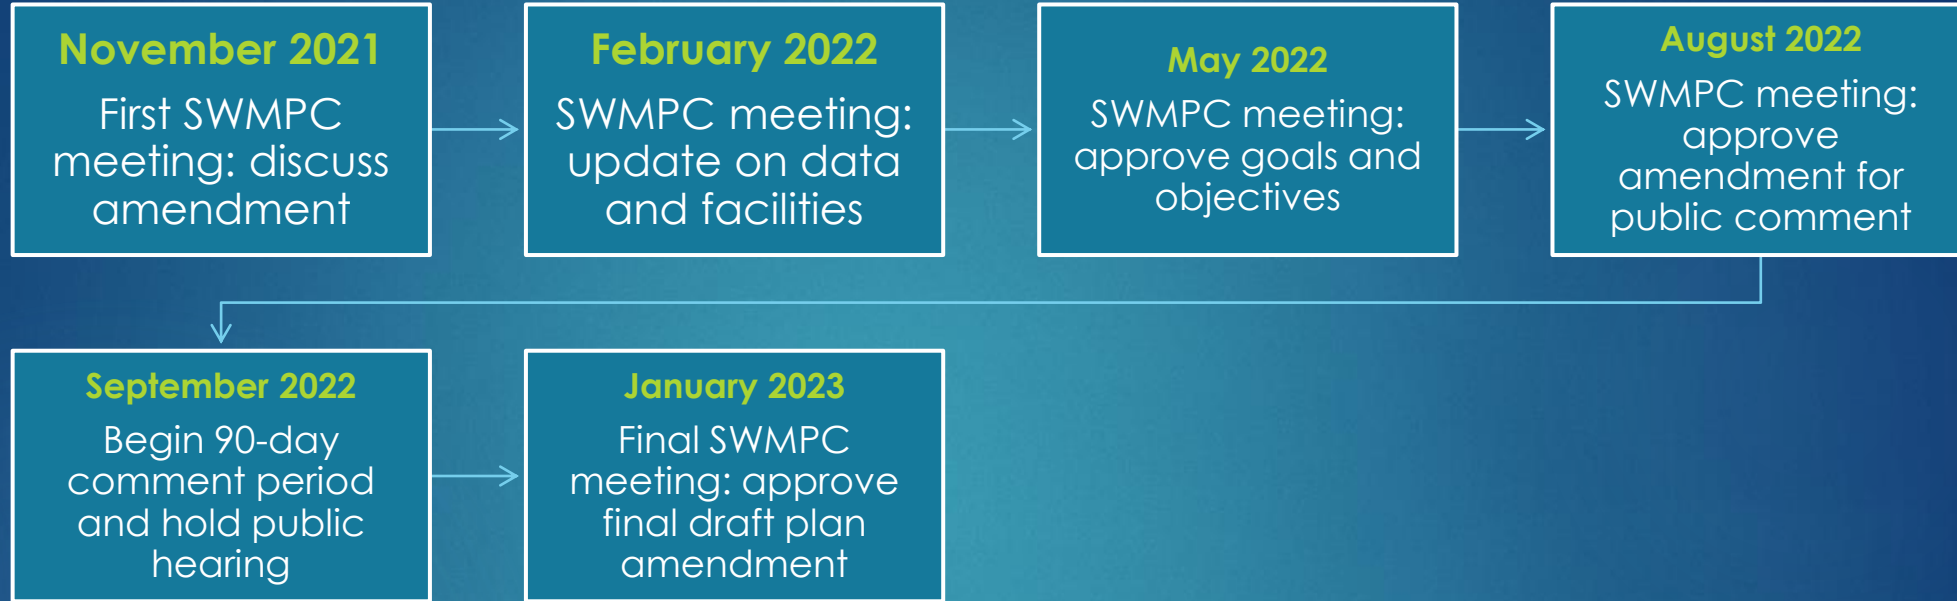

Genesee County SWMP Goals

Ensure	a healthy environment and financially sound waste management system
Improve	education and awareness of recycling
Reduce	waste generation through recycling, composting, etc.
Develop	a solid waste program that leverages assets to improve economic development

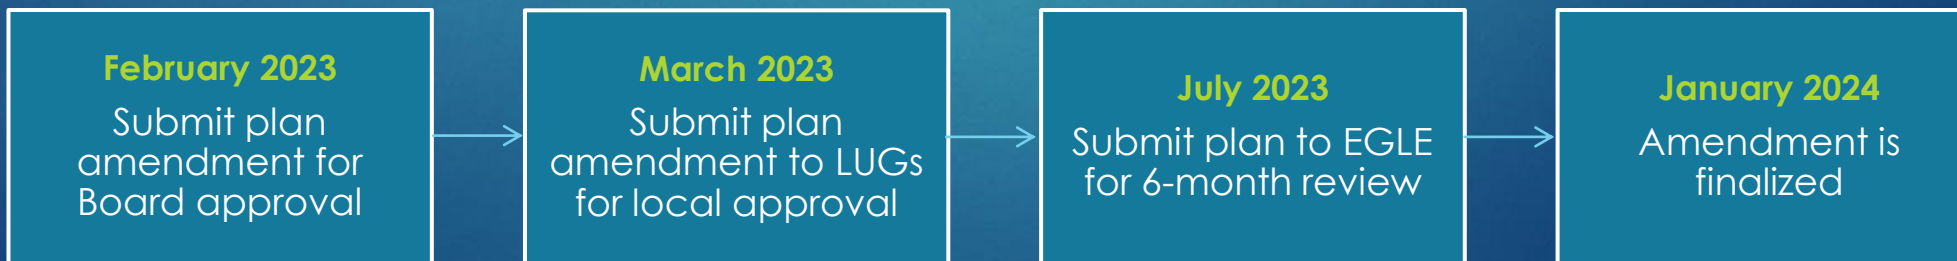

Content That Will Be Amended

- ▶ Socio-economic data
- ▶ Solid waste and recycling data
- ▶ Goals and objectives
- ▶ Solid waste facility descriptions
