Re: CARES Act Funding

Genesee County received notification that through the federal CARES Act, we will be receiving additional funding from HUD amounting to \$1,084,219 in CDBG-CV and \$553,817 in ESG-CV funds. This money must be spent on projects that respond directly to the impacts of the COVID-19 pandemic. For example, eligible CDBG-CV projects include business assistance, public services, job training, or construction of facilities that will aid in the mitigation of COVID-19. ESG-CV funds may be used for rapid rehousing, emergency shelter operations, and other essential services that go towards preventing homelessness.

In order to determine the best use of these funds for our community, staff sent out surveys to all local units of government and to Continuum of Care (CoC) agencies to determine what the biggest needs are. Based on the feedback received, staff has proposed the attached list of projects. If approved, staff would begin developing a Call for Projects and distributing applications to community agencies. Staff will also develop an amendment to the 2019 Annual Action Plan for submission to HUD. The Action Plan amendment will undergo a 5-day public comment period with a virtual public hearing.

At this time, the Allocation Committee has provided a recommendation of approval for staff to begin a Call for Projects for the CARES Act funding.

Re: ESG Contract with Catholic Charities - Rapid Rehousing

As of March 2020, Catholic Charities took over responsibilities as the Housing Assessment Resource Agency (HARA) for Genesee County. The HARA provides centralized intake and housing assessments to be able to house homeless individuals, connecting them to a variety of resources. The previous HARA was Shelter of Flint, which decided to focus solely on emergency shelter operations.

Currently, Genesee County has contracted with Shelter of Flint to provide Homeless Prevention and Rapid Rehousing services funded with 2019 Emergency Solutions Grant (ESG) funds. Since Shelter of Flint is no longer the HARA, they will not be able to carry out the remainder of the contracts. Staff is proposing to allocate the remainder of these funds to Catholic Charities.

At this time, the Allocation Committee has provided a recommendation of approval to the Community & Economic Development Committee for Genesee County to enter into a contract with Catholic Charities for Rapid Rehousing for \$16,768.58.

VIII. PERSONNEL & PARTICIPANT CONDITIONS

Title VI of the 1964 Civil Rights Act, Section 60 states "no person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal financial assistance" (23 CFR 200.9 and 49 CFR 21). The Civil Rights Restoration Act of 1987 broadened the scope of Title VI, clarified the intent, and expanded the definition of the terms "programs and activities" to include all programs and activities of Federal-aid recipients, subrecipients, and contractors, whether such programs are federally assisted or not (Public Law 100259 [S.557] March 22, 1988).

1. Compliance

The Subrecipient agrees to comply with provisions of Titles VI and VII of the Civil Rights Act of 1964 as amended, Title VIII of the Civil Rights Act of 1968 as amended; Section 3 of the HUD Act of 1968, as amended; Section 104(b) and Section 109 of Title I of the Housing and Community Development Act (HCDA) of 1974 as amended; Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Age Discrimination Act of 1975; Executive Order 11063; and Executive Order 11246 as amended by Executive Orders 11375, 11478, 12107 and 12086.

The subrecipient also agrees to follow the Flint/Genesee County Coordinated Entry System Procedures (October 10, 2018) and all requirements of HUD ESG regulations in 24 CFR 576, specifically 24 CFR 576.500 Record keeping and reporting requirements.

2. No discrimination

The Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

3. Land Covenants

This contract is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352) and 24 CFR 570.601 and 570.602. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under this contract, the Subrecipient shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that the Grantee and the United States are beneficiaries of and entitled to enforce such covenants. The Subrecipient, in undertaking its obligation to carry out the program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. Section 504

2. Minority, Women and Handicapped Owned Business Enterprises (M/W/HBE)

The Subrecipient will use its best efforts to afford small businesses, minority business enterprises, handicapped owned business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of this contract. As used in this contract, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are African-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and Alaskan/North American Indians. 1. Prohibited Activity

The Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for: political activities; inherently religious activities; lobbying; political patronage; and nepotism activities.

2. Section 3:

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this contract, shall be a condition of the Federal financial assistance provided under this Agreement and binding upon the Grantee, the Subrecipient, and any of the Subrecipient Contractors and Subcontractors. Failure to fulfill these requirements shall subject the County, the Subrecipient and any of the Subrecipient Contractors and Subcontractors, their successors and assigns, to those sanctions specified by the Agreement through which Federal assistance is provided. With the execution of this Agreement, the Subrecipient certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

The Subrecipient further agrees to comply with these Section 3 requirements and to include the following language in all Prime and Subcontracts executed under this Agreement:

"135.38 Section 3 Clause

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education

Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b)."

The Subrecipient further agrees to define Section 3 Residents as one of the following:

1. Residents of Public and Indian Housing; or
2. Individuals that reside in the metropolitan area or nonmetropolitan county in which the Section 3 covered assistance is expended and whose income do not exceed the local HUD income limits set forth for low- or very-low-income households.

The Subrecipient further agrees to define Section 3 Business Concerns as one of the following:

1. Businesses that are 51% or more owned by Section 3 residents;
2. Business whose permanent, full-time employees include persons, at least 30 percent of whom are currently Section 3 residents, or within three years of the date of first employment with the firm were Section 3 residents.
3. Business that provide evidence of a commitment to subcontract in excess of 25% of the dollar amount of all subcontracts to be awarded to businesses that meet the qualifications described above.

Through the execution of this Agreement, the Subrecipient certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. No tific a tions

The Subrecipient will not subcontract with any entity where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

- (viii) Tenant counseling.

(2) *Housing stability case management*. ESG funds may be used to pay cost of assessing, arranging, coordinating, and monitoring the delivery of individualized services to facilitate housing stability for a program participant who resides in permanent housing or to assist a program participant in overcoming immediate barriers to obtaining housing. This

assistance cannot exceed 30 days during the period the program participant is seeking permanent housing and cannot exceed 24 months during the period the program participant is living in permanent housing. Component services and activities consist of:

(A) Using the centralized or coordinated assessment system as required under § 576.400(d), to evaluate individuals and families applying for or receiving homelessness prevention or rapid re-housing assistance;

(B) Conducting the initial evaluation required under § 576.401(a), including verifying and documenting eligibility, for individuals and families applying for homelessness prevention or rapid re-housing assistance;

(C) Counseling;

(D) Developing, securing, and coordinating services and obtaining Federal, State, and local benefits;

(E) Monitoring and evaluating program participant progress;

(F) Providing information and referrals to other providers;

(G) Developing an individualized housing and service plan, including planning a path to permanent housing stability; and

(H) Conducting re-evaluations required under § 576.401(b).

(3) *Mediation.* ESG funds may pay for mediation between the program participant and the owner or person(s) with whom the program participant is living, provided that the mediation is necessary to prevent the program participant from losing permanent housing in which the program participant currently resides.

(4) *Legal services.* ESG funds may pay for legal services, as set forth in § 576.102(a)(1)(vi), except that the eligible subject matters also include landlord/tenant matters, and the services must be necessary to resolve a legal problem that prohibits the program participant from obtaining permanent housing or will likely result in the program participant losing the permanent housing in which the program participant currently resides.

(5) *Credit repair.* ESG funds may pay for credit counseling and other services necessary to assist program participants with critical skills related to household budgeting, managing money, accessing a free personal credit report, and resolving personal credit problems. This assistance does not include the payment or modification of a debt.

(c) *Maximum amounts and periods of assistance.* The recipient may set a maximum dollar amount that a program participant may receive for each type of financial assistance under paragraph (a) of this section. The recipient may also

set a maximum period for which a program participant may receive any of the types of assistance or services under this section. However, except for housing stability case management, the total period for which any program participant may receive the services under paragraph (b) of this section must not exceed 24 months during any 3-year period. The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

(d) *Use with other subsidies.* Financial assistance under paragraph (a) of this section cannot be provided to a program participant who is receiving the same type of assistance through other public sources or to a program participant who has been provided with replacement housing payments under the URA, during the period of time covered by the URA payments.

§ 576.106 Short-term and medium-term rental assistance.

(a) *General provisions.* Subject to the general conditions under § 576.103 and § 576.104, the recipient or subrecipient may provide a program participant with up to 24 months of rental assistance during any 3-year period. This assistance may be short-term rental assistance, medium-term rental assistance, payment of rental arrears, or any combination of this assistance.

(1) Short-term rental assistance is assistance for up to 3 months of rent.

(2) Medium-term rental assistance is assistance for more than 3 months but not more than 24 months of rent.

(3) Payment of rental arrears consists of a one-time payment for up to 6 months of rent in arrears, including any late fees on those arrears.

(4) Rental assistance may be tenant-based or project-based, as set forth in paragraphs (h) and (i) of this section.

(b) *Discretion to set caps and conditions.* Subject to the requirements of this section, the recipient may set a maximum amount or percentage of rental assistance that a program participant may receive, a maximum number of months that a program participant may receive rental assistance, or a maximum number of times that a program participant may receive rental assistance. The recipient may also require program participants to share in the costs of rent.

(c) *Use with other subsidies.* Except for a one-time payment of rental arrears on the tenant's portion of the rental payment, rental assistance cannot be provided to a program participant who is receiving tenant-based rental assistance, or living in a housing unit receiving project-based rental assistance

or operating assistance, through other public sources. Rental assistance may not be provided to a program participant who has been provided with replacement housing payments under the URA during the period of time covered by the URA payments.

(d) *Rent restrictions.* (1) Rental assistance cannot be provided unless the rent does not exceed the Fair Market Rent established by HUD, as provided under 24 CFR part 888, and complies with HUD's standard of rent reasonableness, as established under 24 CFR 982.507.

(2) For purposes of calculating rent under this section, the rent shall equal the sum of the total monthly rent for the unit, any fees required for occupancy under the lease (other than late fees and pet fees) and, if the tenant pays separately for utilities, the monthly allowance for utilities (excluding telephone) established by the public housing authority for the area in which the housing is located.

(e) *Rental assistance agreement.* The recipient or subrecipient may make rental assistance payments only to an owner with whom the recipient or subrecipient has entered into a rental assistance agreement. The rental assistance agreement must set forth the terms under which rental assistance will be provided, including the requirements that apply under this section. The rental assistance agreement must provide that, during the term of the agreement, the owner must give the recipient or subrecipient a copy of any notice to the program participant to vacate the housing unit, or any complaint used under state or local law to commence an eviction action against the program participant.

(f) *Late payments.* The recipient or subrecipient must make timely payments to each owner in accordance with the rental assistance agreement. The rental assistance agreement must contain the same payment due date, grace period, and late payment penalty requirements as the program participant's lease. The recipient or subrecipient is solely responsible for paying late payment penalties that it incurs with non-ESG funds.

(g) *Lease.* Each program participant receiving rental assistance must have a legally binding, written lease for the rental unit, unless the assistance is solely for rental arrears. The lease must be between the owner and the program participant. Where the assistance is solely for rental arrears, an oral agreement may be accepted in place of a written lease, if the agreement gives the program participant an enforceable leasehold interest under state law and

the agreement and rent owed are sufficiently documented by the owner's financial records, rent ledgers, or canceled checks. For program participants living in housing with project-based rental assistance under paragraph (i) of this section, the lease must have an initial term of one year.

(h) *Tenant-based rental assistance.*

(1) A program participant who receives tenant-based rental assistance may select a housing unit in which to live and may move to another unit or building and continue to receive rental assistance, as long as the program participant continues to meet the program requirements.

(2) The recipient may require that all program participants live within a particular area for the period in which the rental assistance is provided.

(3) The rental assistance agreement with the owner must terminate and no further rental assistance payments under that agreement may be made if:

(i) The program participant moves out of the housing unit for which the program participant has a lease;

(ii) The lease terminates and is not renewed; or

(iii) The program participant becomes ineligible to receive ESG rental assistance.

(i) *Project-based rental assistance.* If the recipient or subrecipient identifies a permanent housing unit that meets ESG requirements and becomes available before a program participant is identified to lease the unit, the recipient or subrecipient may enter into a rental assistance agreement with the owner to reserve the unit and subsidize its rent in accordance with the following requirements:

(1) The rental assistance agreement may cover one or more permanent housing units in the same building.

Each unit covered by the rental assistance agreement ("assisted unit") may only be occupied by program participants, except as provided under paragraph (i)(4) of this section.

(2) The recipient or subrecipient may pay up to 100 percent of the first month's rent, provided that a program participant signs a lease and moves into the unit before the end of the month for which the first month's rent is paid. The rent paid before a program participant moves into the unit must not exceed the rent to be charged under the program participant's lease and must be included when determining that program participant's total rental assistance.

(3) The recipient or subrecipient may make monthly rental assistance payments only for each whole or partial month an assisted unit is leased to a program participant. When a program

participant moves out of an assisted unit, the recipient or subrecipient may pay the next month's rent, *i.e.*, the first month's rent for a new program participant, as provided in paragraph (i)(2) of this section.

(4) The program participant's lease must not condition the term of occupancy to the provision of rental assistance payments. If the program participant is determined ineligible or reaches the maximum number of months over which rental assistance can be provided, the recipient or subrecipient must suspend or terminate the rental assistance payments for the unit. If the payments are suspended, the individual or family may remain in the assisted unit as permitted under the lease, and the recipient or subrecipient may resume payments if the individual or family again becomes eligible and needs further rental assistance. If the payments are terminated, the rental assistance may be transferred to another available unit in the same building, provided that the other unit meets all ESG requirements.

(5) The rental assistance agreement must have an initial term of one year. When a new program participant moves into an assisted unit, the term of the rental assistance agreement may be extended to cover the initial term of the program participant's lease. If the program participant's lease is renewed, the rental assistance agreement may be renewed or extended, as needed, up to the maximum number of months for which the program participant remains eligible. However, under no circumstances may the recipient or subrecipient commit ESG funds to be expended beyond the expenditure deadline in § 576.203 or commit funds for a future ESG grant before the grant is awarded.

(j) *Changes in household composition.* The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

§ 576.107 HMIS component.

(a) *Eligible costs.*

(1) The recipient or subrecipient may use ESG funds to pay the costs of contributing data to the HMIS designated by the Continuum of Care for the area, including the costs of:

(i) Purchasing or leasing computer hardware;

(ii) Purchasing software or software licenses;

(iii) Purchasing or leasing equipment, including telephones, fax machines, and furniture;

(iv) Obtaining technical support;

(v) Leasing office space;

(vi) Paying charges for electricity, gas, water, phone service, and high-speed data transmission necessary to operate or contribute data to the HMIS;

(vii) Paying salaries for operating HMIS, including:

(A) Completing data entry;

(B) Monitoring and reviewing data quality;

(C) Completing data analysis;

(D) Reporting to the HMIS Lead;

(F) Training staff on using the HMIS or comparable database; and

(G) Implementing and complying with HMIS requirements;

(viii) Paying costs of staff to travel to and attend HUD-sponsored and HUD-approved training on HMIS and programs authorized by Title IV of the McKinney-Vento Homeless Assistance Act;

(ix) Paying staff travel costs to conduct intake; and

(x) Paying participation fees charged by the HMIS Lead, if the recipient or subrecipient is not the HMIS Lead. The HMIS Lead is the entity designated by the Continuum of Care to operate the area's HMIS.

(2) If the recipient is the HMIS lead agency, as designated by the Continuum of Care in the most recent fiscal year Continuum of Care Homeless Assistance Grants Competition, it may also use ESG funds to pay the costs of:

(i) Hosting and maintaining HMIS software or data;

(ii) Backing up, recovering, or repairing HMIS software or data;

(iii) Upgrading, customizing, and enhancing the HMIS;

(iv) Integrating and warehousing data, including development of a data warehouse for use in aggregating data from subrecipients using multiple software systems;

(v) Administering the system;

(vi) Reporting to providers, the Continuum of Care, and HUD; and

(vii) Conducting training on using the system or a comparable database, including traveling to the training.

(3) If the subrecipient is a victim services provider or a legal services provider, it may use ESG funds to establish and operate a comparable database that collects client-level data over time (*i.e.*, longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS.

(b) *General restrictions.* Activities funded under this section must comply with HUD's standards on participation, data collection, and reporting under a local HMIS.

§ 576.108 Administrative activities.

(a) *Eligible costs.* The recipient may use up to 7.5 percent of its ESG grant for the payment of administrative costs related to the planning and execution of ESG activities. This does not include staff and overhead costs directly related to carrying out activities eligible under § 576.101 through § 576.107, because those costs are eligible as part of those activities. Eligible administrative costs include:

(1) *General management, oversight and coordination.* Costs of overall program management, coordination, monitoring, and evaluation. These costs include, but are not limited to, necessary expenditures for the following:

(i) Salaries, wages, and related costs of the recipient's staff, the staff of subrecipients, or other staff engaged in program administration. In charging costs to this category, the recipient may either include the entire salary, wages, and related costs allocable to the program of each person whose *primary* responsibilities with regard to the program involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The recipient may use only one of these methods for each fiscal year grant. Program administration assignments include the following:

(A) Preparing program budgets and schedules, and amendments to those budgets and schedules;

(B) Developing systems for assuring compliance with program requirements;

(C) Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities;

(D) Monitoring program activities for progress and compliance with program requirements;

(E) Preparing reports and other documents directly related to the program for submission to HUD;

(F) Coordinating the resolution of audit and monitoring findings;

(G) Evaluating program results against stated objectives; and

(H) Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in paragraph (a)(1)(i)(A) through (G) of this section.

(ii) Travel costs incurred for monitoring of subrecipients;

(iii) Administrative services performed under third-party contracts or agreements, including general legal

services, accounting services, and audit services; and

(iv) Other costs for goods and services required for administration of the program, including rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance (but not purchase) of office space.

(2) *Training on ESG requirements.*

Costs of providing training on ESG requirements and attending HUD-sponsored ESG trainings.

(3) *Consolidated plan.* Costs of preparing and amending the ESG and homelessness-related sections of the consolidated plan in accordance with ESG requirements and 24 CFR part 91.

(4) *Environmental review.* Costs of carrying out the environmental review responsibilities under § 576.407.

(b) *Sharing requirement.* (1) *States.* If the recipient is a State, the recipient must share its funds for administrative costs with its subrecipients that are units of general purpose local government. The amount shared must be reasonable under the circumstances. The recipient may share its funds for administrative costs with its subrecipients that are private nonprofit organizations.

(2) *Territories, metropolitan cities, and urban counties.* If the recipient is a territory, metropolitan city, or urban county, the recipient may share its funds for administrative costs with its subrecipients.

§ 576.109 Indirect costs.

(a) *In general.* ESG grant funds may be used to pay indirect costs in accordance with OMB Circular A-87 (2 CFR part 225), or A-122 (2 CFR part 230), as applicable.

(b) *Allocation.* Indirect costs may be allocated to each eligible activity under § 576.101 through § 576.108, so long as that allocation is consistent with an indirect cost rate proposal developed in accordance with OMB Circular A-87 (2 CFR part 225), or A-122 (2 CFR part 230), as applicable.

(c) *Expenditure limits.* The indirect costs charged to an activity subject to an expenditure limit under § 576.100 must be added to the direct costs charged for that activity when determining the total costs subject to the expenditure limit.

Subpart C—Award and Use of Funds**§ 576.200 Submission requirements and grant approval.**

(a) *Application submission and approval.* In addition to meeting the application submission requirements in 24 CFR part 5, subpart K, each State, urban county, or metropolitan city must submit and obtain HUD approval of a

consolidated plan in accordance with the requirements in 24 CFR part 91, and each territory must submit and obtain HUD approval of a consolidated plan in accordance with the requirements that apply to local governments under 24 CFR part 91. As provided under 24 CFR 85.12, HUD may impose special conditions or restrictions on a grant, if the recipient is determined to be high risk.

(b) *Amendments.* The recipient must amend its approved consolidated plan in order to make a change in its allocation priorities; make a change in its method of distributing funds; carry out an activity not previously described in the plan; or change the purpose, scope, location, or beneficiaries of an activity. The amendment must be completed and submitted to HUD in accordance with the requirements under 24 CFR 91.505.

§ 576.201 Matching requirement.

(a) *Required amount of matching contributions.* (1) Except as provided under paragraphs (a)(2) and (a)(3) of this section, the recipient must make matching contributions to supplement the recipient's ESG program in an amount that equals the amount of ESG funds provided by HUD.

(2) If the recipient is a State, the first \$100,000 of the fiscal year grant is not required to be matched. However, the recipient must transfer the benefit of this exception to its subrecipients that are least capable of providing the recipient with matching contributions.

(3) This matching requirement does not apply if the recipient is a territory.

(b) *Eligible sources of matching contributions.* (1) Subject to the requirement for States under paragraph (a)(2) of this section, the recipient may require its subrecipients to make matching contributions consistent with this section to help meet the recipient's matching requirement.

(2) Matching contributions may be obtained from any source, including any Federal source other than the ESG program, as well as state, local, and private sources. However, the following requirements apply to matching contributions from a Federal source of funds:

(i) The recipient must ensure the laws governing any funds to be used as matching contributions do not prohibit those funds from being used to match Emergency Solutions Grant (ESG) funds.

(ii) If ESG funds are used to satisfy the matching requirements of another Federal program, then funding from that program may not be used to satisfy the matching requirements under this section.

(c) *Recognition of matching contributions.* (1) In order to meet the matching requirement, the matching contributions must meet all requirements that apply to the ESG funds provided by HUD, except for the expenditure limits in § 576.100.

(2) The matching contributions must be provided after the date that HUD signs the grant agreement.

(3) To count toward the required match for the recipient's fiscal year grant, cash contributions must be expended within the expenditure deadline in § 576.203, and noncash contributions must be made within the expenditure deadline in § 576.203.

(4) Contributions used to match a previous ESG grant may not be used to match a subsequent ESG grant.

(5) Contributions that have been or will be counted as satisfying a matching requirement of another Federal grant or award may not count as satisfying the matching requirement of this section.

(d) *Eligible types of matching contributions.* The matching requirement may be met by one or both of the following:

(1) *Cash contributions.* Cash expended for allowable costs, as defined in OMB Circulars A-87 (2 CFR part 225) and A-122 (2 CFR part 230), of the recipient or subrecipient.

(2) *Noncash contributions.* The value of any real property, equipment, goods, or services contributed to the recipient's or subrecipient's ESG program, provided that if the recipient or subrecipient had to pay for them with grant funds, the costs would have been allowable. Noncash contributions may also include the purchase value of any donated building.

(e) *Calculating the amount of noncash contributions.* (1) To determine the value of any donated material or building, or of any lease, the recipient must use a method reasonably calculated to establish the fair market value.

(2) Services provided by individuals must be valued at rates consistent with those ordinarily paid for similar work in the recipient's or subrecipient's organization. If the recipient or subrecipient does not have employees performing similar work, the rates must be consistent with those ordinarily paid by other employers for similar work in the same labor market.

(3) Some noncash contributions are real property, equipment, goods, or services that, if the recipient or subrecipient had to pay for them with grant funds, the payments would have been indirect costs. Matching credit for these contributions must be given only if the recipient or subrecipient has

established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of those contributions.

(f) *Costs paid by program income.* Costs paid by program income shall count toward meeting the recipient's matching requirements, provided the costs are eligible ESG costs that supplement the recipient's ESG program.

§ 576.202 Means of carrying out grant activities.

(a) *States.* If the recipient is a State, the recipient may use an amount consistent with the restrictions in § 576.100 and § 576.108 to carry out administrative activities through its employees or procurement contracts. If the recipient is a State, and has been identified as the HMIS lead by the Continuum of Care, the State may use funds to carry out HMIS activities set forth in § 576.107(a)(2). The recipient must subgrant the remaining funds in its fiscal year grant to:

(1) Units of general purpose local government in the State, which may include metropolitan cities and urban counties that receive ESG funds directly from HUD; or

(2) Private nonprofit organizations, provided that for emergency shelter activities the recipient obtains a certification of approval from the unit of general purpose local government for the geographic area in which those activities are to be carried out.

(b) *Recipients other than States; subrecipients.* The recipient, if it is not a State, and all subrecipients may carry out all eligible activities through their employees, procurement contracts, or subgrants to private nonprofit organizations. If the recipient is an urban county, it may carry out activities through any of its member governments, so long as the county applies to its members the same requirements that are applicable to local government subrecipients under this part.

§ 576.203 Obligation, expenditure, and payment requirements.

(a) *Obligation of funds.* (1) *Funds allocated to States.* (i) Within 60 days from the date that HUD signs the grant agreement with the State (or grant amendment for reallocated funds), the recipient must obligate the entire grant, except the amount for its administrative costs. This requirement is met by a subgrant agreement with, or a letter of award requiring payment from the grant to, a subrecipient.

(ii) Within 120 days after the date that the State obligates its funds to a unit of

general purpose local government, the subrecipient must obligate all of those funds by a subgrant agreement with, or a letter of award requiring payment to, a private nonprofit organization; a procurement contract; or the written designation of a department within the government of the subrecipient to directly carry out an eligible activity.

(2) *Funds allocated to metropolitan cities, urban counties, and territories.* Within 180 days after the date that HUD signs the grant agreement (or a grant amendment for reallocation of funds) with the metropolitan city, urban county, or territory, the recipient must obligate all the grant amount, except the amount for its administrative costs. This requirement is met by an agreement with, or a letter of award requiring payment to, a subrecipient; a procurement contract; or a written designation of a department within the government of the recipient to directly carry out an eligible activity. If the recipient is an urban county, this requirement may also be met with an agreement with, or letter of award requiring payment to, a member government, which has designated a department to directly carry out an eligible activity.

(b) *Expenditures.* The recipient must draw down and expend funds from each year's grant not less than once during each quarter of the recipient's program year. All of the recipient's grant must be expended for eligible activity costs within 24 months after the date HUD signs the grant agreement with the recipient. For the purposes of this paragraph, expenditure means either an actual cash disbursement for a direct charge for a good or service or an indirect cost or the accrual of a direct charge for a good or service or an indirect cost.

(c) *Payments to subrecipients.* The recipient must pay each subrecipient for allowable costs within 30 days after receiving the subrecipient's complete payment request. This requirement also applies to each subrecipient that is a unit of general purpose local government.

Subpart D—Reallocations

§ 576.300 In general.

(1) Funds not awarded by HUD due to failure by the recipient to submit and obtain HUD approval of a consolidated plan will be reallocated in accordance with §§ 576.301 through 576.303.

(2) Recaptured funds will be awarded by formula. In October and April each year, HUD will determine if the amount of recaptured funds is at least 30 percent of the most recent fiscal year

appropriation. If so, HUD will amend all existing grants and reallocate the funds. If the amount is less than 30 percent of the most recent fiscal year appropriation, the funds will be reallocated in conjunction with the next fiscal year's allocation of funding.

§ 576.301 Metropolitan cities and urban counties.

Grant funds returned by a metropolitan city or urban county will be reallocated as follows:

(a) *Eligible recipient.* HUD will make the funds available to the State in which the city or county is located.

(b) *Notification of availability.* HUD will promptly notify the State of the availability of the amounts to be reallocated.

(c) *Application requirement.* Within 45 days after the date of notification, the State must submit to HUD a substantial amendment to its consolidated plan in accordance with 24 CFR part 91.

(d) *Restrictions that apply to reallocated amounts.* The same requirements that apply to grant funds allocated under § 576.3 apply to grant funds reallocated under this section, except that the State must distribute the reallocated funds:

(1) To private nonprofit organizations and units of general purpose local government in the geographic area in which the metropolitan city or urban county is located;

(2) If funds remain, to private nonprofit organizations and units of general purpose local government located throughout the State.

§ 576.302 States.

Grant funds returned by a State will be reallocated as follows:

(a) *Eligible recipients.* HUD will make the funds available:

(1) To metropolitan cities and urban counties in the State that were not allocated funds under § 576.3 because the amount they would have been allocated did not meet the minimum requirement under § 576.3(b)(2);

(2) If funds remain, to county governments in the State other than urban counties;

(3) Then, if funds remain, to metropolitan cities and urban counties in the State that were allocated funds under § 576.3.

(b) *Notification of availability.* HUD will notify eligible recipients of the availability of the funds by a notification letter or **Federal Register** notice, which will specify how the awards of funds will be made.

(c) *Application requirements.* Within 45 days after the date of notification, the eligible recipient must submit to HUD:

(1) A substantial amendment to its approved consolidated plan in accordance with 24 CFR part 91; or

(2) If the eligible recipient does not have an approved consolidated plan, an abbreviated consolidated plan that meets the requirements in the **Federal Register** notice or notification letter from HUD.

(d) *Restrictions that apply to reallocated amounts.* The same requirements that apply to grant funds allocated under § 576.3 apply to grant funds reallocated under this section.

§ 576.303 Territories.

(a) *General.* Grant funds returned by a territory will be reallocated to other territories, then if funds remain, to States.

(b) *Allocation method.* The funds will be allocated as follows:

(1) For territories, the funds will be allocated among the territories in direct proportion with each territory's share of the total population of all of the eligible territories. If HUD determines that a territory failed to spend its funds in accordance with ESG requirements, then HUD may exclude the territory from the allocation of reallocation amounts under this section.

(2) For States, the funds will be allocated to each State in direct proportion with each State's share of the total amount of funds allocated to States under § 576.3.

(c) *Notification of availability.* HUD will notify eligible recipients of the availability of the fund by a letter or **Federal Register** notice, which will specify how the awards of funds will be made.

(d) *Application requirements.* Within 45 days after the date of notification, the eligible recipient must submit to HUD a substantial amendment to its consolidated plan in accordance with 24 CFR part 91.

(e) *Restrictions that apply to reallocated amounts.* The same requirements that apply to grant funds allocated under § 576.3 apply to grant funds reallocated under this section.

Subpart E—Program Requirements

§ 576.400 Area-wide systems coordination requirements.

(a) *Consultation with Continuums of Care.* The recipient must consult with each Continuum of Care that serves the recipient's jurisdiction in determining how to allocate ESG funds each program year; developing the performance standards for, and evaluating the outcomes of, projects and activities assisted by ESG funds; and developing funding, policies, and procedures for

the administration and operation of the HMIS.

(b) *Coordination with other targeted homeless services.* The recipient and its subrecipients must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with other programs targeted to homeless people in the area covered by the Continuum of Care or area over which the services are coordinated to provide a strategic, community-wide system to prevent and end homelessness for that area. These programs include:

(1) Shelter Plus Care Program (24 CFR part 582);

(c) *System and program coordination with mainstream resources.* The recipient and its subrecipients must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with mainstream housing, health, social services, employment, education, and youth programs for which families and individuals at risk of homelessness and homeless individuals and families may be eligible. Examples of these programs include:

(1) Public housing programs assisted under section 9 of the U.S. Housing Act of 1937 (42 U.S.C. 1437g) (24 CFR parts 905, 968, and 990);

(2) Housing programs receiving tenant-based or project-based assistance under section 8 of the U.S. Housing Act of 1937 (42 U.S.C. 1437f) (respectively 24 CFR parts 982 and 983);

(3) Supportive Housing for Persons with Disabilities (Section 811) (24 CFR part 891);

(4) HOME Investment Partnerships Program (24 CFR part 92);

(5) Temporary Assistance for Needy Families (TANF) (45 CFR parts 260–265);

(6) Health Center Program (42 CFR part 51c);

(7) State Children's Health Insurance Program (42 CFR part 457);

(8) Head Start (45 CFR chapter XIII, subchapter B);

(9) Mental Health and Substance Abuse Block Grants (45 CFR part 96); and

(10) Services funded under the Workforce Investment Act (29 U.S.C. 2801 *et seq.*).

(d) *Centralized or coordinated assessment.* Once the Continuum of Care has developed a centralized assessment system or a coordinated assessment system in accordance with requirements to be established by HUD, each ESG-funded program or project within the Continuum of Care's area must use that assessment system. The recipient and subrecipient must work with the Continuum of Care to ensure the screening, assessment and referral of program participants are consistent with the written standards required by paragraph (e) of this section. A victim service provider may choose not to use the Continuum of Care's centralized or coordinated assessment system.

(e) *Written standards for providing ESG assistance.* (1) If the recipient is a metropolitan city, urban county, or

territory, the recipient must have written standards for providing Emergency Solutions Grant (ESG) assistance and must consistently apply those standards for all program participants. The recipient must describe these standards in its consolidated plan.

(2) If the recipient is a state:

(i) The recipient must establish and consistently apply, or require that its subrecipients establish and consistently apply, written standards for providing ESG assistance. If the written standards are established by the subrecipients, the recipient may require these written standards to be:

(A) Established for each area covered by a Continuum of Care or area over which the services are coordinated and followed by each subrecipient providing assistance in that area; or

(B) Established by each subrecipient and applied consistently within the subrecipient's program.

(ii) Written standards developed by the state must be included in the state's Consolidated Plan. If the written standards are developed by its subrecipients, the recipient must describe its requirements for the establishment and implementation of these standards in the state's Consolidated Plan.

(3) At a minimum these written standards must include:

(i) Standard policies and procedures for evaluating individuals' and families' eligibility for assistance under Emergency Solutions Grant (ESG);

(ii) Standards for targeting and providing essential services related to street outreach;

(iii) Policies and procedures for admission, diversion, referral, and discharge by emergency shelters assisted under ESG, including standards regarding length of stay, if any, and safeguards to meet the safety and shelter needs of special populations, *e.g.*, victims of domestic violence, dating violence, sexual assault, and stalking; and individuals and families who have the highest barriers to housing and are likely to be homeless the longest;

(iv) Policies and procedures for assessing, prioritizing, and reassessing individuals' and families' needs for essential services related to emergency shelter;

(v) Policies and procedures for coordination among emergency shelter providers, essential services providers, homelessness prevention, and rapid rehousing assistance providers; other homeless assistance providers; and mainstream service and housing providers (see § 576.400(b) and (c) for a list of programs with which ESG-funded

activities must be coordinated and integrated to the maximum extent practicable);

(vi) Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid rehousing assistance;

(vii) Standards for determining what percentage or amount of rent and utilities costs each program participant must pay while receiving homelessness prevention or rapid rehousing assistance;

(viii) Standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time; and

(ix) Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide to a program participant, including the limits, if any, on the homelessness prevention or rapid rehousing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participant receive assistance; or the maximum number of times the program participant may receive assistance.

(f) *Participation in HMIS.* The recipient must ensure that data on all persons served and all activities assisted under ESG are entered into the applicable community-wide HMIS in the area in which those persons and activities are located, or a comparable database, in accordance with HUD's standards on participation, data collection, and reporting under a local HMIS. If the subrecipient is a victim service provider or a legal services provider, it may use a comparable database that collects client-level data over time (*i.e.*, longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS.

§ 576.401 Evaluation of program participant eligibility and needs.

(a) *Evaluations.* The recipient or its subrecipient must conduct an initial evaluation to determine the eligibility of each individual or family's eligibility for ESG assistance and the amount and types of assistance the individual or family needs to regain stability in permanent housing. These evaluations must be conducted in accordance with the centralized or coordinated

assessment requirements set forth under § 576.400(d) and the written standards established under § 576.400(e).

(b) *Re-evaluations for homelessness prevention and rapid re-housing assistance.* (1) The recipient or subrecipient must re-evaluate the program participant's eligibility and the types and amounts of assistance the program participant needs not less than once every 3 months for program participants receiving homelessness prevention assistance, and not less than once annually for program participants receiving rapid re-housing assistance. At a minimum, each re-evaluation of eligibility must establish that:

(i) The program participant does not have an annual income that exceeds 30 percent of median family income for the area, as determined by HUD; and

(ii) The program participant lacks sufficient resources and support networks necessary to retain housing without ESG assistance.

(2) The recipient or subrecipient may require each program participant receiving homelessness prevention or rapid re-housing assistance to notify the recipient or subrecipient regarding changes in the program participant's income or other circumstances (e.g., changes in household composition) that affect the program participant's need for assistance under ESG. When notified of a relevant change, the recipient or subrecipient must re-evaluate the program participant's eligibility and the amount and types of assistance the program participant needs.

(c) *Annual income.* When determining the annual income of an individual or family, the recipient or subrecipient must use the standard for calculating annual income under 24 CFR 5.609.

(d) *Connecting program participants to mainstream and other resources.* The recipient and its subrecipients must assist each program participant, as needed, to obtain:

(1) Appropriate supportive services, including assistance in obtaining permanent housing, medical health treatment, mental health treatment, counseling, supervision, and other services essential for achieving independent living; and

(2) Other Federal, State, local, and private assistance available to assist the program participant in obtaining housing stability, including:

(i) Medicaid (42 CFR chapter IV, subchapter C);

(ii) Supplemental Nutrition Assistance Program (7 CFR parts 271–283);

(iii) Women, Infants and Children (WIC) (7 CFR part 246);

(iv) Federal-State Unemployment Insurance Program (20 CFR parts 601–603, 606, 609, 614–617, 625, 640, 650);

(v) Social Security Disability Insurance (SSDI) (20 CFR part 404);

(vi) Supplemental Security Income (SSI) (20 CFR part 416);

(vii) Child and Adult Care Food Program (42 U.S.C. 1766(t) (7 CFR part 226));

(viii) Other assistance available under the programs listed in § 576.400(c).

(e) *Housing stability case management.* (1) While providing homelessness prevention or rapid re-housing assistance to a program participant, the recipient or subrecipient must:

(i) Require the program participant to meet with a case manager not less than once per month to assist the program participant in ensuring long-term housing stability; and

(ii) Develop a plan to assist the program participant to retain permanent housing after the ESG assistance ends, taking into account all relevant considerations, such as the program participant's current or expected income and expenses; other public or private assistance for which the program participant will be eligible and likely to receive; and the relative affordability of available housing in the area.

(2) The recipient or subrecipient is exempt from the requirement under paragraph (e)(1)(i) of this section if the Violence Against Women Act of 1994 (42 U.S.C. 13701 *et seq.*) or the Family Violence Prevention and Services Act (42 U.S.C. 10401 *et seq.*) prohibits that recipient or subrecipient from making its shelter or housing conditional on the participant's acceptance of services.

§ 576.402 Terminating assistance.

(a) *In general.* If a program participant violates program requirements, the recipient or subrecipient may terminate the assistance in accordance with a formal process established by the recipient or subrecipient that recognizes the rights of individuals affected. The recipient or subrecipient must exercise judgment and examine all extenuating circumstances in determining when violations warrant termination so that a program participant's assistance is terminated only in the most severe cases.

(b) *Program participants receiving rental assistance or housing relocation and stabilization services.* To terminate rental assistance or housing relocation and stabilization services to a program participant, the required formal process, at a minimum, must consist of:

(1) Written notice to the program participant containing a clear statement of the reasons for termination;

(2) A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(3) Prompt written notice of the final decision to the program participant.

(c) *Ability to provide further assistance.* Termination under this section does not bar the recipient or subrecipient from providing further assistance at a later date to the same family or individual.

§ 576.403 Shelter and housing standards.

(a) *Lead-based paint remediation and disclosure.* The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations in 24 CFR part 35, subparts A, B, H, J, K, M, and R apply to all shelters assisted under ESG program and all housing occupied by program participants.

(b) *Minimum standards for emergency shelters.* Any building for which Emergency Solutions Grant (ESG) funds are used for conversion, major rehabilitation, or other renovation, must meet state or local government safety and sanitation standards, as applicable, and the following minimum safety, sanitation, and privacy standards. Any emergency shelter that receives assistance for shelter operations must also meet the following minimum safety, sanitation, and privacy standards. The recipient may also establish standards that exceed or add to these minimum standards.

(1) *Structure and materials.* The shelter building must be structurally sound to protect residents from the elements and not pose any threat to health and safety of the residents. Any renovation (including major rehabilitation and conversion) carried out with ESG assistance must use Energy Star and WaterSense products and appliances.

(2) *Access.* The shelter must be accessible in accordance with Section 504 of the Rehabilitation Act (29 U.S.C. 794) and implementing regulations at 24 CFR part 8; the Fair Housing Act (42 U.S.C. 3601 *et seq.*) and implementing regulations at 24 CFR part 100; and Title II of the Americans with Disabilities Act (42 U.S.C. 12131 *et seq.*) and 28 CFR part 35; where applicable.

(3) *Space and security.* Except where the shelter is intended for day use only,

the shelter must provide each program participant in the shelter with an acceptable place to sleep and adequate space and security for themselves and their belongings.

(4) *Interior air quality.* Each room or space within the shelter must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.

(5) *Water supply.* The shelter's water supply must be free of contamination.

(6) *Sanitary facilities.* Each program participant in the shelter must have access to sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.

(7) *Thermal environment.* The shelter must have any necessary heating/cooling facilities in proper operating condition.

(8) *Illumination and electricity.* The shelter must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the shelter.

(9) *Food preparation.* Food preparation areas, if any, must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.

(10) *Sanitary conditions.* The shelter must be maintained in a sanitary condition.

(11) *Fire safety.* There must be at least one working smoke detector in each occupied unit of the shelter. Where possible, smoke detectors must be located near sleeping areas. The fire alarm system must be designed for hearing-impaired residents. All public areas of the shelter must have at least one working smoke detector. There must also be a second means of exiting the building in the event of fire or other emergency.

(c) *Minimum standards for permanent housing.* The recipient or subrecipient cannot use ESG funds to help a program participant remain or move into housing that does not meet the minimum habitability standards provided in this paragraph (c). The recipient may also establish standards that exceed or add to these minimum standards.

(1) *Structure and materials.* The structures must be structurally sound to protect residents from the elements and not pose any threat to the health and safety of the residents.

(2) *Space and security.* Each resident must be provided adequate space and security for themselves and their

belongings. Each resident must be provided an acceptable place to sleep.

(3) *Interior air quality.* Each room or space must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.

(4) *Water supply.* The water supply must be free from contamination.

(5) *Sanitary facilities.* Residents must have access to sufficient sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.

(6) *Thermal environment.* The housing must have any necessary heating/cooling facilities in proper operating condition.

(7) *Illumination and electricity.* The structure must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the structure.

(8) *Food preparation.* All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.

(9) *Sanitary conditions.* The housing must be maintained in a sanitary condition.

(10) *Fire safety.* (i) There must be a second means of exiting the building in the event of fire or other emergency.

(ii) Each unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.

(iii) The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, community rooms, day care centers, hallways, stairwells, and other common areas.

§ 576.404 Conflicts of interest.

(a) *Organizational conflicts of interest.* The provision of any type or amount of ESG assistance may not be conditioned on an individual's or family's acceptance or occupancy of emergency shelter or housing owned by the recipient, the subrecipient, or a parent or subsidiary of the subrecipient. No

subrecipient may, with respect to individuals or families occupying housing owned by the subrecipient, or any parent or subsidiary of the subrecipient, carry out the initial evaluation required under § 576.401 or administer homelessness prevention assistance under § 576.103.

(b) *Individual conflicts of interest.* For the procurement of goods and services, the recipient and its subrecipients must comply with the codes of conduct and conflict of interest requirements under 24 CFR 85.36 (for governments) and 24 CFR 84.42 (for private nonprofit organizations). For all other transactions and activities, the following restrictions apply:

(1) *Conflicts prohibited.* No person described in paragraph (b)(2) of this section who exercises or has exercised any functions or responsibilities with respect to activities assisted under the ESG program, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under the program, may obtain a financial interest or benefit from an assisted activity; have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity; or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has family or business ties, during his or her tenure or during the one-year period following his or her tenure.

(2) *Persons covered.* The conflict-of-interest provisions of paragraph (b)(1) of this section apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or its subrecipients.

(3) *Exceptions.* Upon the written request of the recipient, HUD may grant an exception to the provisions of this subsection on a case-by-case basis, taking into account the cumulative effects of the criteria in paragraph (b)(3)(ii) of this section, provided that the recipient has satisfactorily met the threshold requirements of paragraph (b)(3)(i) of this section.

(i) *Threshold requirements.* HUD will consider an exception only after the recipient has provided the following documentation:

(A) If the recipient or subrecipient is a government, disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(B) An opinion of the recipient's attorney that the interest for which the

exception is sought would not violate state or local law.

(ii) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the recipient has satisfactorily met the threshold requirements under paragraph (b)(3)(i) of this section, HUD must conclude that the exception will serve to further the purposes of the ESG program and the effective and efficient administration of the recipient's or subrecipient's program or project, taking into account the cumulative effect of the following factors, as applicable:

(A) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(B) Whether an opportunity was provided for open competitive bidding or negotiation;

(C) Whether the affected person has withdrawn from his or her functions, responsibilities or the decision-making process with respect to the specific activity in question;

(D) Whether the interest or benefit was present before the affected person was in the position described in paragraph (b)(1) of this section;

(E) Whether undue hardship results to the recipient, the subrecipient, or the person affected, when weighed against the public interest served by avoiding the prohibited conflict; and

(F) Any other relevant considerations.

(c) *Contractors.* All contractors of the recipient or subrecipient must comply with the same requirements that apply to subrecipients under this section.

§ 576.405 Homeless participation.

(a) Unless the recipient is a State, the recipient must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policy-making entity of the recipient, to the extent that the entity considers and makes policies and decisions regarding any facilities, services, or other assistance that receive funding under Emergency Solutions Grant (ESG).

(b) If the recipient is unable to meet requirement under paragraph (a), it must instead develop and implement a plan to consult with homeless or formerly homeless individuals in considering and making policies and decisions regarding any facilities, services, or other assistance that receive funding under Emergency Solutions Grant (ESG). The plan must be included in the annual action plan required under 24 CFR 91.220.

(c) To the maximum extent practicable, the recipient or subrecipient must involve homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under ESG, in providing services assisted under ESG, and in providing services for occupants of facilities assisted under ESG. This involvement may include employment or volunteer services.

§ 576.406 Faith-based activities.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to receive ESG funds. Neither the Federal Government nor a State or local government receiving funds under ESG shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(b) Organizations that are directly funded under the ESG program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization as part of the programs or services funded under ESG. If an organization conducts these activities, the activities must be offered separately, in time or location, from the programs or services funded under ESG, and participation must be voluntary for program participants.

(c) Any religious organization that receives ESG funds retains its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that the religious organization does not use direct ESG funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide ESG-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, an ESG-funded religious organization retains its authority over its internal governance, and the organization may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(d) An organization that receives ESG funds shall not, in providing ESG assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.

(e) ESG funds may not be used for the rehabilitation of structures to the extent

that those structures are used for inherently religious activities. Solutions ESG funds may be used for the rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under the ESG program. Where a structure is used for both eligible and inherently religious activities, ESG funds may not exceed the cost of those portions of the rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to ESG funds. Sanctuaries, chapels, or other rooms that an ESG-funded religious congregation uses as its principal place of worship, however, are ineligible for funded improvements under the program. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(f) If the recipient or a subrecipient that is a local government voluntarily contributes its own funds to supplement federally funded activities, the recipient or subrecipient has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

§ 576.407 Other Federal requirements.

(a) *General.* The requirements in 24 CFR part 5, subpart A are applicable, including the nondiscrimination and equal opportunity requirements at 24 CFR 5.105(a). Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u, and implementing regulations at 24 CFR part 135 apply, except that homeless individuals have priority over other Section 3 residents in accordance with § 576.405(c).

(b) *Affirmative outreach.* The recipient or subrecipient must make known that use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. If it is unlikely that the procedures that the recipient or subrecipient intends to use to make known the availability of the facilities, assistance, and services will reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for those facilities and services, the recipient or subrecipient must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services. The recipient and its subrecipients must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures

that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, recipients and subrecipients are also required to take reasonable steps to ensure meaningful access to programs and activities for limited English proficiency (LEP) persons.

(c) *Uniform Administrative Requirements.* The requirements of 24 CFR part 85 apply to the recipient and subrecipients that are units of general purpose local government, except that 24 CFR 85.24 and 85.42 do not apply, and program income is to be used as match under 24 CFR 85.25(g). The requirements of 24 CFR part 84 apply to subrecipients that are private nonprofit organizations, except that 24 CFR 84.23 and 84.53 do not apply, and program income is to be used as the nonfederal share under 24 CFR 84.24(b). These regulations include allowable costs and non-Federal audit requirements.

(d) *Environmental review responsibilities.* (1) Activities under this part are subject to environmental review by HUD under 24 CFR part 50. The recipient shall supply all available, relevant information necessary for HUD to perform for each property any environmental review required by 24 CFR part 50. The recipient also shall carry out mitigating measures required by HUD or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

(2) The recipient or subrecipient, or any contractor of the recipient or subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR part 50 and the recipient has received HUD approval of the property.

(e) *Davis-Bacon Act.* The provisions of the Davis-Bacon Act (40 U.S.C. 276a to 276a-5) do not apply to the ESG program.

(f) *Procurement of Recovered Materials.* The recipient and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered

materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

§ 576.408 Displacement, relocation, and acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of Emergency Solutions Grant (ESG), the recipient and its subrecipients must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under Emergency Solutions Grant (ESG).

(b) *Temporary relocation not permitted.* No tenant-occupant of housing (a dwelling unit) that is converted into an emergency shelter may be required to relocate temporarily for a project assisted with ESG funds, or be required to move to another unit in the same building/complex. When a tenant moves for a project assisted with ESG funds under conditions that trigger the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601-4655, as described in paragraph (c) of this section, the tenant should be treated as permanently displaced and offered relocation assistance and payments consistent with that paragraph.

(c) *Relocation assistance for displaced persons.* (1) *In general.* A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with, the URA and 49 CFR part 24. A displaced person must be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601 *et seq.*). Whenever possible, minority persons shall be given reasonable opportunities to relocate to comparable and suitable decent, safe, and sanitary replacement dwellings, not located in an area of minority concentration, that are within their financial means. This policy, however, does not require providing a person a larger payment than is necessary to enable a person to relocate to a comparable replacement dwelling. (See 49 CFR 24.205(c)(2)(ii)(D).) As required by Section 504 of the Rehabilitation Act (29 U.S.C. 794) and

49 CFR part 24, replacement dwellings must also contain the accessibility features needed by displaced persons with disabilities.

(2) *Displaced Person.* (i) For purposes of paragraph (c) of this section, the term "displaced person" means any person (family, individual, business, nonprofit organization, or farm, including any corporation, partnership, or association) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under the ESG program. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:

(A) After the owner (or person in control of the site) issues a notice to move permanently from the property or refuses to renew an expiring lease, if the move occurs on or after:

(I) The date of the submission by the recipient (or subrecipient, as applicable) of an application for assistance to HUD (or the recipient, as applicable) that is later approved and funded if the recipient (or subrecipient, as applicable) has site control as evidenced by a deed, sales contract, or option contract to acquire the property; or

(II) The date on which the recipient (or subrecipient, as applicable) selects the applicable site, if the recipient (or subrecipient, as applicable) does not have site control at the time of the application, provided that the recipient (or subrecipient, as applicable) eventually obtains control over the site;

(B) Before the date described in paragraph (c)(2)(i)(A) of this section, if the recipient or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(C) By a tenant-occupant of a dwelling unit and the tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition of the property for the project.

(ii) Notwithstanding paragraph (c)(2)(i) of this section, a person does not qualify as a displaced person if:

(A) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement; violation of applicable Federal, State or local law, or other good cause; and the recipient determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance.

(B) The person moved into the property after the submission of the

application but, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced), and the fact that the person would not qualify as a "displaced person" (or for any assistance under this section) as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(a)(9)(ii); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The recipient or subrecipient may, at any time, request that HUD to determine whether a displacement is or would be covered by this rule.

(3) *Initiation of negotiations.* For purposes of determining the type of replacement housing payment assistance to be provided to a displaced person pursuant to this section:

(i) If the displacement is the direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, "initiation of negotiations" means the execution of the agreement between the recipient and the subrecipient or the agreement between the recipient (or subrecipient, as applicable) and the person owning or controlling the property;

(ii) If site control is only evidenced by an option contract to acquire the property, the "initiation of negotiations" does not become effective until the execution of a written agreement that creates a legally enforceable commitment to proceed with the purchase, such as a sales contract.

(d) *Real property acquisition requirements.* The acquisition of real property, whether funded privately or publicly, for a project assisted with Emergency Solutions Grant (ESG) funds is subject to the URA and Federal governmentwide regulations at 49 CFR part 24, subpart B.

(e) *Appeals.* A person who disagrees with the recipient's (or subrecipient's, if applicable) determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person may be eligible, may file a written appeal of that determination with the recipient under 49 CFR 24.10. A low-income person who disagrees with the recipient's determination may submit a written request for review of that determination by the appropriate HUD field office.

Subpart F—Grant Administration

§ 576.500 Recordkeeping and reporting requirements.

(a) *In general.* The recipient must have policies and procedures to ensure the requirements of this part are met. The policies and procedures must be established in writing and implemented by the recipient and its subrecipients to ensure that ESG funds are used in accordance with the requirements. In addition, sufficient records must be established and maintained to enable the recipient and HUD to determine whether ESG requirements are being met.

(b) *Homeless status.* The recipient must maintain and follow written intake procedures to ensure compliance with the homeless definition in § 576.2. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless status. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. However, lack of third-party documentation must not prevent an individual or family from being immediately admitted to emergency shelter, receiving street outreach services, or being immediately admitted to shelter or receiving services provided by a victim service provider. Records contained in an HMIS or comparable database used by victim service or legal service providers are acceptable evidence of third-party documentation and intake worker observations if the HMIS retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made; and if the HMIS prevents overrides or changes of the dates on which entries are made.

(1) If the individual or family qualifies as homeless under paragraph (1)(i) or (ii) of the homeless definition in § 576.2, acceptable evidence includes a written observation by an outreach worker of the conditions where the individual or family was living, a written referral by another housing or service provider, or a certification by the individual or head of household seeking assistance.

(2) If the individual qualifies as homeless under paragraph (1)(iii) of the homeless definition in § 576.2, because he or she resided in an emergency shelter or place not meant for human habitation and is exiting an institution where he or she resided for 90 days or less, acceptable evidence includes the evidence described in paragraph (b)(1) of this section and one of the following:

(i) Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institution, stating the beginning and end dates of the time residing in the institution. All oral statements must be recorded by the intake worker; or

(ii) Where the evidence in paragraph (b)(2)(i) of this section is not obtainable, a written record of the intake worker's due diligence in attempting to obtain the evidence described in paragraph (b)(2)(i) and a certification by the individual seeking assistance that states he or she is exiting or has just exited an institution where he or she resided for 90 days or less.

(3) If the individual or family qualifies as homeless under paragraph (2) of the homeless definition in § 576.2, because the individual or family will imminently lose their housing, the evidence must include:

(i)(A) A court order resulting from an eviction action that requires the individual or family to leave their residence within 14 days after the date of their application for homeless assistance; or the equivalent notice under applicable state law, a Notice to Quit, or a Notice to Terminate issued under state law;

(B) For individuals and families whose primary nighttime residence is a hotel or motel room not paid for by charitable organizations or federal, state, or local government programs for low-income individuals, evidence that the individual or family lacks the resources necessary to reside there for more than 14 days after the date of application for homeless assistance; or

(C) An oral statement by the individual or head of household that the owner or renter of the housing in which they currently reside will not allow them to stay for more than 14 days after the date of application for homeless assistance. The intake worker must record the statement and certify that it was found credible. To be found credible, the oral statement must either: (I) be verified by the owner or renter of the housing in which the individual or family resides at the time of application for homeless assistance and documented by a written certification by the owner or renter or by the intake worker's recording of the owner or renter's oral statement; or (II) if the intake worker is unable to contact the owner or renter, be documented by a written certification by the intake worker of his or her due diligence in attempting to obtain the owner or renter's verification and the written certification by the individual or head of

household seeking assistance that his or her statement was true and complete;

(ii) Certification by the individual or head of household that no subsequent residence has been identified; and

(iii) Certification or other written documentation that the individual or family lacks the resources and support networks needed to obtain other permanent housing.

(4) If the individual or family qualifies as homeless under paragraph (3) of the homeless definition in § 576.2, because the individual or family does not otherwise qualify as homeless under the homeless definition but is an unaccompanied youth under 25 years of age, or homeless family with one or more children or youth, and is defined as homeless under another Federal statute or section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), the evidence must include:

(i) For paragraph (3)(i) of the homeless definition in § 576.2, certification of homeless status by the local private nonprofit organization or state or local governmental entity responsible for administering assistance under the Runaway and Homeless Youth Act (42 U.S.C. 5701 *et seq.*), the Head Start Act (42 U.S.C. 9831 *et seq.*), subtitle N of the Violence Against Women Act of 1994 (42 U.S.C. 14043e *et seq.*), section 330 of the Public Health Service Act (42 U.S.C. 254b), the Food and Nutrition Act of 2008 (7 U.S.C. 2011 *et seq.*), section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786), or subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 *et seq.*), as applicable;

(ii) For paragraph (3)(ii) of the homeless definition in § 576.2, referral by a housing or service provider, written observation by an outreach worker, or certification by the homeless individual or head of household seeking assistance;

(iii) For paragraph (3)(iii) of the homeless definition in § 576.2, certification by the individual or head of household and any available supporting documentation that the individual or family moved two or more times during the 60-day period immediately preceding the date of application for homeless assistance, including: recorded statements or records obtained from each owner or renter of housing, provider of shelter or housing, or social worker, case worker, or other appropriate official of a hospital or institution in which the individual or family resided; or, where these statements or records are unobtainable, a written record of the intake worker's due diligence in attempting to obtain these statements or records. Where a

move was due to the individual or family fleeing domestic violence, dating violence, sexual assault, or stalking, then the intake worker may alternatively obtain a written certification from the individual or head of household seeking assistance that they were fleeing that situation and that they resided at that address; and

(iv) For paragraph (3)(iv) of the homeless definition in § 576.2, written diagnosis from a professional who is licensed by the state to diagnose and treat that condition (or intake staff-recorded observation of disability that within 45 days of date of the application for assistance is confirmed by a professional who is licensed by the state to diagnose and treat that condition); employment records; department of corrections records; literacy, English proficiency tests; or other reasonable documentation of the conditions required under paragraph (3)(iv) of the homeless definition.

(5) If the individual or family qualifies under paragraph (4) of the homeless definition in § 576.2, because the individual or family is fleeing domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions related to violence, then acceptable evidence includes an oral statement by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified and that they lack the resources or support networks, *e.g.*, family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, the oral statement must be documented by either a certification by the individual or head of household; or a certification by the intake worker. Otherwise, the oral statement that the individual or head of household seeking assistance has not identified a subsequent residence and lacks the resources or support networks, *e.g.*, family, friends, faith-based or other social networks, needed to obtain housing must be documented by a certification by the individual or head of household that the oral statement is true and complete, and, where the safety of the individual or family would not be jeopardized, the domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening condition must be verified by a written observation by the intake worker or a written referral by a housing or service provider, social worker, legal assistance provider, health-care provider, law enforcement agency, legal assistance provider, pastoral counselor, or any

other organization from whom the individual or head of household has sought assistance for domestic violence, dating violence, sexual assault, or stalking. The written referral or observation need only include the minimum amount of information necessary to document that the individual or family is fleeing, or attempting to flee domestic violence, dating violence, sexual assault, and stalking.

(c) *At risk of homelessness status.* For each individual or family who receives Emergency Solutions Grant (ESG) homelessness prevention assistance, the records must include the evidence relied upon to establish and verify the individual or family's "at risk of homelessness" status. This evidence must include an intake and certification form that meets HUD specifications and is completed by the recipient or subrecipient. The evidence must also include:

(1) If the program participant meets the criteria under paragraph (1) of the "at risk of homelessness" definition in § 576.2:

(i) The documentation specified under this section for determining annual income;

(ii) The program participant's certification on a form specified by HUD that the program participant has insufficient financial resources and support networks; *e.g.*, family, friends, faith-based or other social networks, immediately available to attain housing stability and meets one or more of the conditions under paragraph (1)(iii) of the definition of "at risk of homelessness" in § 576.2;

(iii) The most reliable evidence available to show that the program participant does not have sufficient resources or support networks; *e.g.*, family, friends, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place described in paragraph (1) of the "homeless" definition. Acceptable evidence includes:

(A) Source documents (*e.g.*, notice of termination from employment, unemployment compensation statement, bank statement, health-care bill showing arrears, utility bill showing arrears);

(B) To the extent that source documents are unobtainable, a written statement by the relevant third party (*e.g.*, former employer, public administrator, relative) or the written certification by the recipient's or subrecipient's intake staff of the oral verification by the relevant third party that the applicant meets one or both of

the criteria under paragraph (1)(ii) of the definition of "at risk of homelessness" in § 576.2; or

(C) To the extent that source documents and third-party verification are unobtainable, a written statement by the recipient's or subrecipient's intake staff describing the efforts taken to obtain the required evidence; and

(iv) The most reliable evidence available to show that the program participant meets one or more of the conditions under paragraph (1)(iii) of the definition of "at risk of homelessness" in § 576.2. Acceptable evidence includes:

(A) Source documents that evidence one or more of the conditions under paragraph (1)(iii) of the definition (e.g., eviction notice, notice of termination from employment, bank statement);

(B) To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., former employer, owner, primary leaseholder, public administrator, hotel or motel manager) or the written certification by the recipient's or subrecipient's intake staff of the oral verification by the relevant third party that the applicant meets one or more of the criteria under paragraph (1)(iii) of the definition of "at risk of homelessness"; or

(C) To the extent that source documents and third-party verification are unobtainable, a written statement by the recipient's or subrecipient's intake staff that the staff person has visited the applicant's residence and determined that the applicant meets one or more of the criteria under paragraph (1)(iii) of the definition or, if a visit is not practicable or relevant to the determination, a written statement by the recipient's or subrecipient's intake staff describing the efforts taken to obtain the required evidence; or

(2) If the program participant meets the criteria under paragraph (2) or (3) of the "at risk of homelessness" definition in § 576.2, certification of the child or youth's homeless status by the agency or organization responsible for administering assistance under the Runaway and Homeless Youth Act (42 U.S.C. 5701 *et seq.*), the Head Start Act (42 U.S.C. 9831 *et seq.*), subtitle N of the Violence Against Women Act of 1994 (42 U.S.C. 14043e *et seq.*), section 330 of the Public Health Service Act (42 U.S.C. 254b), the Food and Nutrition Act of 2008 (7 U.S.C. 2011 *et seq.*), section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786) or subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 *et seq.*), as applicable.

(d) *Determinations of ineligibility.* For each individual and family determined ineligible to receive Emergency Solutions Grant (ESG) assistance, the record must include documentation of the reason for that determination.

(e) *Annual income.* For each program participant who receives homelessness prevention assistance, or who receives rapid re-housing assistance longer than one year, the following documentation of annual income must be maintained:

(1) Income evaluation form containing the minimum requirements specified by HUD and completed by the recipient or subrecipient; and

(2) Source documents for the assets held by the program participant and income received over the most recent period for which representative data is available before the date of the evaluation (e.g., wage statement, unemployment compensation statement, public benefits statement, bank statement);

(3) To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., employer, government benefits administrator) or the written certification by the recipient's or subrecipient's intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period for which representative data is available; or

(4) To the extent that source documents and third party verification are unobtainable, the written certification by the program participant of the amount of income the program participant received for the most recent period representative of the income that the program participant is reasonably expected to receive over the 3-month period following the evaluation.

(f) *Program participant records.* In addition to evidence of homeless status or "at risk of homelessness" status, as applicable, records must be kept for each program participant that document:

(1) The services and assistance provided to that program participant, including, as applicable, the security deposit, rental assistance, and utility payments made on behalf of the program participant;

(2) Compliance with the applicable requirements for providing services and assistance to that program participant under the program components and eligible activities provisions at § 576.101 through § 576.106, the provision on determining eligibility and amount and type of assistance at § 576.401(a) and (b), and the provision on using

(n) *HMIS*. The recipient must keep records of the participation in HMIS or a comparable database by all projects of the recipient and its subrecipients.

(o) *Matching*. The recipient must keep records of the source and use of contributions made to satisfy the matching requirement in § 576.201. The records must indicate the particular fiscal year grant for which each matching contribution is counted. The records must show how the value placed on third-party, noncash contributions was derived. (w) *Other records specified by HUD*. The recipient must keep other records specified by HUD.

(x) *Confidentiality*. (1) The recipient and its subrecipients must develop and implement written procedures to ensure:

(i) All records containing personally identifying information (as defined in HUD's standards for participation, data collection, and reporting in a local HMIS) of any individual or family who applies for and/or receives ESG assistance will be kept secure and confidential;

(ii) The address or location of any domestic violence, dating violence, sexual assault, or stalking shelter project assisted under the ESG will not be made public, except with written authorization of the person responsible for the operation of the shelter; and

(iii) The address or location of any housing of a program participant will not be made public, except as provided under a preexisting privacy policy of the recipient or subrecipient and consistent with state and local laws regarding privacy and obligations of confidentiality.

(2) The confidentiality procedures of the recipient and its subrecipients must be in writing and must be maintained in accordance with this section.

(y) *Period of record retention*. All records pertaining to each fiscal year of ESG funds must be retained for the greater of 5 years or the period specified below. Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

§ 576.501 Enforcement.

(a) *Performance reviews.*

(1) HUD will review the performance of each recipient in carrying out its responsibilities under this part whenever determined necessary by HUD, but at least annually. In conducting performance reviews, HUD will rely primarily on information obtained from the records and reports from the recipient and, when appropriate, its subrecipients, as well as information from onsite monitoring, audit reports, and information from IDIS and HMIS. Where applicable, HUD may also consider relevant information pertaining to the recipient's performance gained from other sources, including citizen comments, complaint determinations, and litigation. Reviews to determine compliance with specific requirements of this part will be conducted as necessary, with or without prior notice to the recipient.

(2) If HUD determines preliminarily that the recipient or one of its subrecipients has not complied with an ESG program requirement, HUD will give the recipient notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD and on the basis of substantial facts and data, that the recipient has complied with Emergency Solutions Grant (ESG) requirements. HUD may change the method of payment to require the recipient to obtain HUD's prior approval each time the recipient draws down Emergency Solutions Grant (ESG) funds. To obtain prior approval, the recipient may be required to manually submit its payment requests and supporting documentation to HUD in order to show that the funds to be drawn down will be expended on

eligible activities in accordance with all ESG program requirements.

(3) If the recipient fails to demonstrate to HUD's satisfaction that the activities were carried out in compliance with ESG program requirements, HUD will take one or more of the remedial actions or sanctions specified in paragraph (b) of this section.

(b) *Remedial actions and sanctions.* Remedial actions and sanctions for a failure to meet an ESG program requirement will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence.

(1) HUD may instruct the recipient to submit and comply with proposals for action to correct, mitigate, and prevent noncompliance with ESG requirements, including:

(i) Preparing and following a schedule of actions for carrying out activities affected by the noncompliance, including schedules, timetables, and milestones necessary to implement the affected activities;

(ii) Establishing and following a management plan that assigns responsibilities for carrying out the remedial actions;

(iii) Canceling or revising activities likely to be affected by the noncompliance, before expending ESG funds for the activities;

(iv) Reprogramming ESG funds that have not yet been expended from affected activities to other eligible activities;

(v) Suspending disbursement of ESG funds for some or all activities;

(vi) Reducing or terminating the remaining grant of a subrecipient and reallocating those funds to other subrecipients; and

(vii) Making matching contributions before or as draws are made from the recipient's ESG grant.

(2) HUD may change the method of payment to a reimbursement basis.

(3) HUD may suspend payments to the extent HUD deems it necessary to preclude the further expenditure of funds for affected activities.

(4) HUD may remove the recipient from participation in reallocations of funds under subpart D of this part.

(5) HUD may deny matching credit for all or part of the cost of the affected activities and require the recipient to make further matching contributions to make up for the contribution determined to be ineligible.

(6) HUD may require the recipient to reimburse its line of credit in an amount equal to the funds used for the affected activities.

(7) HUD may reduce or terminate the remaining grant of a recipient and

reallocate those funds to other recipients in accordance with subpart D of this part.

(8) HUD may condition a future grant.

(9) HUD may take other remedies that are legally available.

(c) *Recipient sanctions.* If the recipient determines that a subrecipient is not complying with an ESG program requirement or its subgrant agreement, the recipient must take appropriate actions, as prescribed for HUD in paragraphs (a) and (b) of this section. If the recipient is a State and funds become available as a result of an action under this section, the recipient must reallocate those funds to other subrecipients as soon as practicable. If the recipient is a unit of general purpose local government of territory, it must either reallocate those funds to other subrecipients or reprogram the funds for other activities to be carried out by the recipient as soon as practicable. The recipient must amend its Consolidated Plan in accordance with its citizenship participation plan if funds become available and are reallocated or reprogrammed under this section. The reallocated or reprogrammed funds must be used by the expenditure deadline in § 576.203.

Re: ESG Contract with Catholic Charities - Homeless Prevention

As of March 2020, Catholic Charities took over responsibilities as the Housing Assessment Resource Agency (HARA) for Genesee County. The HARA provides centralized intake and housing assessments to be able to house homeless individuals, connecting them to a variety of resources. The previous HARA was Shelter of Flint, which decided to focus solely on emergency shelter operations.

Currently, Genesee County has contracted with Shelter of Flint to provide Homeless Prevention and Rapid Rehousing services funded with 2019 Emergency Solutions Grant (ESG) funds. Since Shelter of Flint is no longer the HARA, they will not be able to carry out the remainder of the contracts. Staff is proposing to allocate the remainder of these funds to Catholic Charities.

At this time, the Allocation Committee has provided a recommendation of approval to the Community & Economic Development Committee for Genesee County to enter into a contract with Catholic Charities for Homeless Prevention for \$9,427.00.

TO THE HONORABLE CHAIRPERSON AND MEMBERS OF THE GENESEE COUNTY BOARD OF COMMISSIONERS, GENESEE COUNTY, MICHIGAN

LADIES AND GENTLEMEN:

These activities consist of making an initial assessment of needs and eligibility; providing crisis counseling; addressing urgent physical needs, such as providing meals, blankets, clothes, or toiletries; and actively connecting and providing information and referrals to programs targeted to homeless people and mainstream social services and housing programs, including emergency shelter, transitional housing, community-based services, permanent supportive housing, and rapid re-housing programs. Eligible costs include the cell phone costs of outreach workers during the performance of these activities.

(2) *Case management.* The cost of assessing housing and service needs, arranging, coordinating, and monitoring the delivery of individualized services to meet the needs of the program participant. Eligible services and activities are as follows: using the centralized or coordinated assessment system as required under § 576.400(d); conducting the initial evaluation required under § 576.401(a), including verifying and documenting eligibility; counseling; developing, securing and coordinating services; obtaining Federal, State, and local benefits; monitoring and evaluating program participant progress; providing information and referrals to other providers; and developing an individualized housing and service plan, including planning a path to permanent housing stability.

(3) *Emergency health services.* (i) Eligible costs are for the direct outpatient treatment of medical

conditions and are provided by licensed medical professionals operating in community-based settings, including streets, parks, and other places where unsheltered homeless people are living.

(ii) ESG funds may be used only for these services to the extent that other appropriate health services are inaccessible or unavailable within the area.

(iii) Eligible treatment consists of assessing a program participant's health problems and developing a treatment plan; assisting program participants to understand their health needs; providing directly or assisting program participants to obtain appropriate emergency medical treatment; and providing medication and follow-up services.

(4) *Emergency mental health services.* (i) Eligible costs are the direct outpatient treatment by licensed professionals of mental health conditions operating in community-based settings, including streets, parks, and other places where unsheltered people are living.

(ii) ESG funds may be used only for these services to the extent that other appropriate mental health services are inaccessible or unavailable within the community.

(iv) Eligible treatment consists of crisis interventions, the prescription of psychotropic medications, explanation about the use and management of medications, and combinations of therapeutic approaches to address multiple problems.

(5) *Transportation.* The transportation costs of travel by outreach workers, social workers, medical professionals, or other service providers are eligible, provided that this travel takes place during the provision of services eligible under this section. The costs of transporting unsheltered people to emergency shelters or other service facilities are also eligible. These costs include the following:

(i) The cost of a program participant's travel on public transportation;

(ii) If service workers use their own vehicles, mileage allowance for service workers to visit program participants;

(6) *Services for special populations.* ESG funds may be used to provide services for homeless youth, victim services, and services for people living with HIV/AIDS, so long as the costs of providing these services are eligible under paragraphs (a)(1) through (a)(5) of this section. The term *victim services* means services that assist program participants who are victims of domestic violence, dating violence, sexual assault, or stalking, including services offered by rape crisis centers and domestic violence shelters, and other organizations with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.

(b) *Minimum period of use.* The recipient or subrecipient must provide services to homeless individuals and families for at least the period during which ESG funds are provided.

(c) *Maintenance of effort.* (1) If the recipient or subrecipient is a unit of general purpose local government, its ESG funds cannot be used to replace funds the local government provided for street outreach and emergency shelter services during the immediately preceding 12-month period, unless HUD determines that the unit of general purpose local government is in a severe financial deficit.

(2) Upon the recipient's request, HUD will determine whether the unit of general purpose local government is in a severe financial deficit, based on the recipient's demonstration of each of the following:

(i) The average poverty rate in the unit of general purpose local government's jurisdiction was equal to or greater than 125 percent of the average national poverty rate, during the calendar year for which the most recent data are available, as determined according to information from the U.S. Census Bureau.

(iii) The unit of general purpose local government has a current annual budget deficit that requires a reduction in funding for services for homeless people.

(iv) The unit of general purpose local government has taken all reasonable steps to prevent a reduction in funding

of services for homeless people. Reasonable steps may include steps to increase revenue generation, steps to maximize cost savings, or steps to reduce expenditures in areas other than services for homeless people.

§ 576.102 Emergency shelter component.

Emergency Solutions Grant (ESG) funds may be used only for these services to the extent that other appropriate health services are unavailable within the community. Eligible treatment consists of assessing a program participant's health problems and developing a treatment plan; assisting program participants to understand their health needs; providing directly or assisting program participants to obtain appropriate medical treatment, preventive medical care, and health maintenance services, including emergency medical services; providing medication and follow-up services; and providing preventive and noncosmetic dental care.

If the subrecipient is a legal services provider and performs the services itself, the eligible costs are the subrecipient's employees' salaries and other costs necessary to perform the services.

(F) Legal services for immigration and citizenship matters and issues relating to mortgages are ineligible costs. Retainer fee arrangements and contingency fee arrangements are ineligible costs.

(vii) *Life skills training.* The costs of teaching critical life management skills that may never have been learned or have been lost during the course of physical or mental illness, domestic violence, substance use, and homelessness are eligible costs. relationships, parent-child problems, or symptom management.

(D) Eligible treatment consists of crisis interventions; individual, family, or group therapy sessions; the prescription of psychotropic medications or explanations about the use and management of medications; and combinations of therapeutic approaches to address multiple problems.

(ix) *Substance abuse treatment services.* (A) Eligible substance abuse treatment services are designed to prevent, reduce, eliminate, or deter relapse of substance abuse or addictive behaviors and are provided by licensed or certified professionals.

(B) ESG funds may only be used for these services to the extent that other appropriate substance abuse treatment services are unavailable or inaccessible within the community.

(C) Eligible treatment consists of client intake and assessment, and outpatient treatment for up to 30 days. Group and individual counseling and drug testing are eligible costs. Inpatient detoxification and other inpatient drug or alcohol treatment are not eligible costs.

(x) *Transportation.* Eligible costs consist of the transportation costs of a program participant's travel to and from medical care, employment, child care, or other eligible essential services facilities. These costs include the following:

(A) The cost of a program participant's travel on public transportation;

(B) If service workers use their own vehicles, mileage allowance for service workers to visit program participants;

(C) The cost of purchasing or leasing a vehicle for the recipient or subrecipient in which staff transports program participants and/or staff serving program participants, and the cost of gas, insurance, taxes, and maintenance for the vehicle; and

(D) The travel costs of recipient or subrecipient staff to accompany or assist program participants to use public transportation.

(xi) *Services for special populations.* ESG funds may be used to provide services for homeless youth, victim services, and services for people living with HIV/AIDS, so long as the costs of providing these services are eligible under paragraphs (a)(1)(i) through (a)(1)(x) of this section. The term *victim services* means services that assist program participants who are victims of domestic violence, dating violence, sexual assault, or stalking, including services offered by rape crisis centers and domestic violence shelters, and other organizations with a documented

history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.

(2) *Renovation.* Eligible costs include labor, materials, tools, and other costs for renovation (including major rehabilitation of an emergency shelter or conversion of a building into an emergency shelter). The emergency shelter must be owned by a government entity or private nonprofit organization.

(3) *Shelter operations.* Eligible costs are the costs of maintenance (including minor or routine repairs), rent, security, fuel, equipment, insurance, utilities, food, furnishings, and supplies necessary for the operation of the emergency shelter. Where no appropriate emergency shelter is available for a homeless family or individual, eligible costs may also include a hotel or motel voucher for that family or individual.

(4) *Assistance required under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA).* Eligible costs are the costs of providing URA assistance under § 576.408, including relocation payments and other assistance to persons displaced by a project assisted with ESG funds. Persons that receive URA assistance are not considered "program participants" for the purposes of this part, and relocation payments and other URA assistance are not considered "rental assistance" or "housing relocation and stabilization services" for the purposes of this part.

(b) *Prohibition against involuntary family separation.* The age of a child under age 18 must not be used as a basis for denying any family's admission to an emergency shelter that uses Emergency Solutions Grant (ESG) funding or services and provides shelter to families with children under age 18.

(c) *Minimum period of use.* (1) *Renovated buildings.* Each building renovated with ESG funds must be maintained as a shelter for homeless individuals and families for not less than a period of 3 or 10 years, depending on the type of renovation and the value of the building. The "value of the building" is the reasonable monetary value assigned to the building, such as the value assigned by an independent real estate appraiser. The minimum use period must begin on the date the building is first occupied by a homeless individual or family after the completed renovation. A minimum period of use of 10 years, required for major rehabilitation and conversion, must be enforced by a recorded deed or use restriction.

(i) *Major rehabilitation.* If the rehabilitation cost of an emergency

shelter exceeds 75 percent of the value of the building before rehabilitation, the minimum period of use is 10 years.

(ii) *Conversion*. If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the minimum period of use is 10 years.

(iii) *Renovation other than major rehabilitation or conversion*. In all other cases where ESG funds are used for renovation, the minimum period of use is 3 years.

(2) *Essential services and shelter operations*. Where the recipient or subrecipient uses ESG funds solely for essential services or shelter operations, the recipient or subrecipient must provide services or shelter to homeless individuals and families at least for the period during which the ESG funds are provided. The recipient or subrecipient does not need to limit these services or shelter to a particular site or structure, so long as the site or structure serves the same type of persons originally served with the assistance (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or serves homeless persons in the same area where the recipient or subrecipient originally provided the services or shelter.

(d) *Maintenance of effort*. The maintenance of effort requirements under § 576.101(c), which apply to the use of ESG funds for essential services related to street outreach, also apply for the use of such funds for essential services related to emergency shelter.

§ 576.103 Homelessness prevention component.

ESG funds may be used to provide housing relocation and stabilization services and short- and/or medium-term rental assistance necessary to prevent an individual or family from moving into an emergency shelter or another place described in paragraph (1) of the "homeless" definition in § 576.2. This assistance, referred to as homelessness prevention, may be provided to individuals and families who meet the criteria under the "at risk of homelessness" definition, or who meet the criteria in paragraph (2), (3), or (4) of the "homeless" definition in § 576.2 and have an annual income below 30 percent of median family income for the area, as determined by HUD. The costs of homelessness prevention are only eligible to the extent that the assistance is necessary to help the program participant regain stability in the program participant's current permanent housing or move into other permanent housing and achieve stability in that housing. Homelessness

prevention must be provided in accordance with the housing relocation and stabilization services requirements in § 576.105, the short-term and medium-term rental assistance requirements in § 576.106, and the written standards and procedures established under § 576.400.

§ 576.104 Rapid re-housing assistance component.

ESG funds may be used to provide housing relocation and stabilization services and short- and/or medium-term rental assistance as necessary to help a homeless individual or family move as quickly as possible into permanent housing and achieve stability in that housing. This assistance, referred to as rapid re-housing assistance, may be provided to program participants who meet the criteria under paragraph (1) of the "homeless" definition in § 576.2 or who meet the criteria under paragraph (4) of the "homeless" definition and live in an emergency shelter or other place described in paragraph (1) of the "homeless" definition. The rapid re-housing assistance must be provided in accordance with the housing relocation and stabilization services requirements in § 576.105, the short- and medium-term rental assistance requirements in § 576.106, and the written standards and procedures established under § 576.400.

§ 576.105 Housing relocation and stabilization services.

(a) *Financial assistance costs*. Subject to the general conditions under § 576.103 and § 576.104, ESG funds may be used to pay housing owners, utility companies, and other third parties for the following costs:

(1) *Rental application fees*. ESG funds may pay for the rental housing application fee that is charged by the owner to all applicants.

(2) *Security deposits*. ESG funds may pay for a security deposit that is equal to no more than 2 months' rent.

(3) *Last month's rent*. If necessary to obtain housing for a program participant, the last month's rent may be paid from ESG funds to the owner of that housing at the time the owner is paid the security deposit and the first month's rent. This assistance must not exceed one month's rent and must be included in calculating the program participant's total rental assistance, which cannot exceed 24 months during any 3-year period.

(4) *Utility deposits*. ESG funds may pay for a standard utility deposit required by the utility company for all customers for the utilities listed in paragraph (5) of this section.

(5) *Utility payments*. ESG funds may pay for up to 24 months of utility payments per program participant, per service, including up to 6 months of utility payments in arrears, per service. A partial payment of a utility bill counts as one month. This assistance may only be provided if the program participant or a member of the same household has an account in his or her name with a utility company or proof of responsibility to make utility payments. Eligible utility services are gas, electric, water, and sewage. No program participant shall receive more than 24 months of utility assistance within any 3-year period.

(6) *Moving costs*. ESG funds may pay for moving costs, such as truck rental or hiring a moving company. This assistance may include payment of temporary storage fees for up to 3 months, provided that the fees are accrued after the date the program participant begins receiving assistance under paragraph (b) of this section and before the program participant moves into permanent housing. Payment of temporary storage fees in arrears is not eligible.

(b) *Services costs*. Subject to the general restrictions under § 576.103 and § 576.104, ESG funds may be used to pay the costs of providing the following services:

(1) *Housing search and placement*. Services or activities necessary to assist program participants in locating, obtaining, and retaining suitable permanent housing, include the following:

- (i) Assessment of housing barriers, needs, and preferences;
- (ii) Development of an action plan for locating housing;
- (iii) Housing search;
- (iv) Outreach to and negotiation with owners;
- (v) Assistance with submitting rental applications and understanding leases;
- (vi) Assessment of housing for compliance with Emergency Solutions Grant (ESG) requirements for habitability, lead-based paint, and rent reasonableness;
- (vii) Assistance with obtaining utilities and making moving arrangements; and
- (viii) Tenant counseling.

(2) *Housing stability case management*. ESG funds may be used to pay cost of assessing, arranging, coordinating, and monitoring the delivery of individualized services to facilitate housing stability for a program participant who resides in permanent housing or to assist a program participant in overcoming immediate barriers to obtaining housing. This

assistance cannot exceed 30 days during the period the program participant is seeking permanent housing and cannot exceed 24 months during the period the program participant is living in permanent housing. Component services and activities consist of:

(A) Using the centralized or coordinated assessment system as required under § 576.400(d), to evaluate individuals and families applying for or receiving homelessness prevention or rapid re-housing assistance;

(B) Conducting the initial evaluation required under § 576.401(a), including verifying and documenting eligibility, for individuals and families applying for homelessness prevention or rapid re-housing assistance;

(C) Counseling;

(D) Developing, securing, and coordinating services and obtaining Federal, State, and local benefits;

(E) Monitoring and evaluating program participant progress;

(F) Providing information and referrals to other providers;

(G) Developing an individualized housing and service plan, including planning a path to permanent housing stability; and

(H) Conducting re-evaluations required under § 576.401(b).

(3) *Mediation.* ESG funds may pay for mediation between the program participant and the owner or person(s) with whom the program participant is living, provided that the mediation is necessary to prevent the program participant from losing permanent housing in which the program participant currently resides.

(4) *Legal services.* ESG funds may pay for legal services, as set forth in § 576.102(a)(1)(vi), except that the eligible subject matters also include landlord/tenant matters, and the services must be necessary to resolve a legal problem that prohibits the program participant from obtaining permanent housing or will likely result in the program participant losing the permanent housing in which the program participant currently resides.

(5) *Credit repair.* ESG funds may pay for credit counseling and other services necessary to assist program participants with critical skills related to household budgeting, managing money, accessing a free personal credit report, and resolving personal credit problems. This assistance does not include the payment or modification of a debt.

(c) *Maximum amounts and periods of assistance.* The recipient may set a maximum dollar amount that a program participant may receive for each type of financial assistance under paragraph (a) of this section. The recipient may also

set a maximum period for which a program participant may receive any of the types of assistance or services under this section. However, except for housing stability case management, the total period for which any program participant may receive the services under paragraph (b) of this section must not exceed 24 months during any 3-year period. The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

(d) *Use with other subsidies.* Financial assistance under paragraph (a) of this section cannot be provided to a program participant who is receiving the same type of assistance through other public sources or to a program participant who has been provided with replacement housing payments under the URA, during the period of time covered by the URA payments.

§ 576.106 Short-term and medium-term rental assistance.

(a) *General provisions.* Subject to the general conditions under § 576.103 and § 576.104, the recipient or subrecipient may provide a program participant with up to 24 months of rental assistance during any 3-year period. This assistance may be short-term rental assistance, medium-term rental assistance, payment of rental arrears, or any combination of this assistance.

(1) Short-term rental assistance is assistance for up to 3 months of rent.

(2) Medium-term rental assistance is assistance for more than 3 months but not more than 24 months of rent.

(3) Payment of rental arrears consists of a one-time payment for up to 6 months of rent in arrears, including any late fees on those arrears.

(4) Rental assistance may be tenant-based or project-based, as set forth in paragraphs (h) and (i) of this section.

(b) *Discretion to set caps and conditions.* Subject to the requirements of this section, the recipient may set a maximum amount or percentage of rental assistance that a program participant may receive, a maximum number of months that a program participant may receive rental assistance, or a maximum number of times that a program participant may receive rental assistance. The recipient may also require program participants to share in the costs of rent.

(c) *Use with other subsidies.* Except for a one-time payment of rental arrears on the tenant's portion of the rental payment, rental assistance cannot be provided to a program participant who is receiving tenant-based rental assistance, or living in a housing unit receiving project-based rental assistance

or operating assistance, through other public sources. Rental assistance may not be provided to a program participant who has been provided with replacement housing payments under the URA during the period of time covered by the URA payments.

(d) *Rent restrictions.* (1) Rental assistance cannot be provided unless the rent does not exceed the Fair Market Rent established by HUD, as provided under 24 CFR part 888, and complies with HUD's standard of rent reasonableness, as established under 24 CFR 982.507.

(2) For purposes of calculating rent under this section, the rent shall equal the sum of the total monthly rent for the unit, any fees required for occupancy under the lease (other than late fees and pet fees) and, if the tenant pays separately for utilities, the monthly allowance for utilities (excluding telephone) established by the public housing authority for the area in which the housing is located.

(e) *Rental assistance agreement.* The recipient or subrecipient may make rental assistance payments only to an owner with whom the recipient or subrecipient has entered into a rental assistance agreement. The rental assistance agreement must set forth the terms under which rental assistance will be provided, including the requirements that apply under this section. The rental assistance agreement must provide that, during the term of the agreement, the owner must give the recipient or subrecipient a copy of any notice to the program participant to vacate the housing unit, or any complaint used under state or local law to commence an eviction action against the program participant.

(f) *Late payments.* The recipient or subrecipient must make timely payments to each owner in accordance with the rental assistance agreement. The rental assistance agreement must contain the same payment due date, grace period, and late payment penalty requirements as the program participant's lease. The recipient or subrecipient is solely responsible for paying late payment penalties that it incurs with non-ESG funds.

(g) *Lease.* Each program participant receiving rental assistance must have a legally binding, written lease for the rental unit, unless the assistance is solely for rental arrears. The lease must be between the owner and the program participant. Where the assistance is solely for rental arrears, an oral agreement may be accepted in place of a written lease, if the agreement gives the program participant an enforceable leasehold interest under state law and

the agreement and rent owed are sufficiently documented by the owner's financial records, rent ledgers, or canceled checks. For program participants living in housing with project-based rental assistance under paragraph (i) of this section, the lease must have an initial term of one year.

(h) *Tenant-based rental assistance.*

(1) A program participant who receives tenant-based rental assistance may select a housing unit in which to live and may move to another unit or building and continue to receive rental assistance, as long as the program participant continues to meet the program requirements.

(2) The recipient may require that all program participants live within a particular area for the period in which the rental assistance is provided.

(3) The rental assistance agreement with the owner must terminate and no further rental assistance payments under that agreement may be made if:

(i) The program participant moves out of the housing unit for which the program participant has a lease;

(ii) The lease terminates and is not renewed; or

(iii) The program participant becomes ineligible to receive ESG rental assistance.

(i) *Project-based rental assistance.* If the recipient or subrecipient identifies a permanent housing unit that meets ESG requirements and becomes available before a program participant is identified to lease the unit, the recipient or subrecipient may enter into a rental assistance agreement with the owner to reserve the unit and subsidize its rent in accordance with the following requirements:

(1) The rental assistance agreement may cover one or more permanent housing units in the same building. Each unit covered by the rental assistance agreement ("assisted unit") may only be occupied by program participants, except as provided under paragraph (i)(4) of this section.

(2) The recipient or subrecipient may pay up to 100 percent of the first month's rent, provided that a program participant signs a lease and moves into the unit before the end of the month for which the first month's rent is paid. The rent paid before a program participant moves into the unit must not exceed the rent to be charged under the program participant's lease and must be included when determining that program participant's total rental assistance.

(3) The recipient or subrecipient may make monthly rental assistance payments only for each whole or partial month an assisted unit is leased to a program participant. When a program

participant moves out of an assisted unit, the recipient or subrecipient may pay the next month's rent, *i.e.*, the first month's rent for a new program participant, as provided in paragraph (i)(2) of this section.

(4) The program participant's lease must not condition the term of occupancy to the provision of rental assistance payments. If the program participant is determined ineligible or reaches the maximum number of months over which rental assistance can be provided, the recipient or subrecipient must suspend or terminate the rental assistance payments for the unit. If the payments are suspended, the individual or family may remain in the assisted unit as permitted under the lease, and the recipient or subrecipient may resume payments if the individual or family again becomes eligible and needs further rental assistance. If the payments are terminated, the rental assistance may be transferred to another available unit in the same building, provided that the other unit meets all ESG requirements.

(5) The rental assistance agreement must have an initial term of one year. When a new program participant moves into an assisted unit, the term of the rental assistance agreement may be extended to cover the initial term of the program participant's lease. If the program participant's lease is renewed, the rental assistance agreement may be renewed or extended, as needed, up to the maximum number of months for which the program participant remains eligible. However, under no circumstances may the recipient or subrecipient commit ESG funds to be expended beyond the expenditure deadline in § 576.203 or commit funds for a future ESG grant before the grant is awarded.

(j) *Changes in household composition.* The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

§ 576.107 HMIS component.

(a) *Eligible costs.*

(1) The recipient or subrecipient may use ESG funds to pay the costs of contributing data to the HMIS designated by the Continuum of Care for the area, including the costs of:

- (i) Purchasing or leasing computer hardware;
- (ii) Purchasing software or software licenses;
- (iii) Purchasing or leasing equipment, including telephones, fax machines, and furniture;
- (iv) Obtaining technical support;
- (v) Leasing office space;

(vi) Paying charges for electricity, gas, water, phone service, and high-speed data transmission necessary to operate or contribute data to the HMIS;

(vii) Paying salaries for operating HMIS, including:

- (A) Completing data entry;
- (B) Monitoring and reviewing data quality;
- (C) Completing data analysis;
- (D) Reporting to the HMIS Lead;
- (F) Training staff on using the HMIS or comparable database; and
- (G) Implementing and complying with HMIS requirements;

(viii) Paying costs of staff to travel to and attend HUD-sponsored and HUD-approved training on HMIS and programs authorized by Title IV of the McKinney-Vento Homeless Assistance Act;

(ix) Paying staff travel costs to conduct intake; and

(x) Paying participation fees charged by the HMIS Lead, if the recipient or subrecipient is not the HMIS Lead. The HMIS Lead is the entity designated by the Continuum of Care to operate the area's HMIS.

(2) If the recipient is the HMIS lead agency, as designated by the Continuum of Care in the most recent fiscal year Continuum of Care Homeless Assistance Grants Competition, it may also use ESG funds to pay the costs of:

- (i) Hosting and maintaining HMIS software or data;
- (ii) Backing up, recovering, or repairing HMIS software or data;
- (iii) Upgrading, customizing, and enhancing the HMIS;
- (iv) Integrating and warehousing data, including development of a data warehouse for use in aggregating data from subrecipients using multiple software systems;
- (v) Administering the system;
- (vi) Reporting to providers, the Continuum of Care, and HUD; and
- (vii) Conducting training on using the system or a comparable database, including traveling to the training.

(3) If the subrecipient is a victim services provider or a legal services provider, it may use ESG funds to establish and operate a comparable database that collects client-level data over time (*i.e.*, longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS.

(b) *General restrictions.* Activities funded under this section must comply with HUD's standards on participation, data collection, and reporting under a local HMIS.

§ 576.108 Administrative activities.

(a) *Eligible costs.* The recipient may use up to 7.5 percent of its ESG grant for the payment of administrative costs related to the planning and execution of ESG activities. This does not include staff and overhead costs directly related to carrying out activities eligible under § 576.101 through § 576.107, because those costs are eligible as part of those activities. Eligible administrative costs include:

(1) *General management, oversight and coordination.* Costs of overall program management, coordination, monitoring, and evaluation. These costs include, but are not limited to, necessary expenditures for the following:

(i) Salaries, wages, and related costs of the recipient's staff, the staff of subrecipients, or other staff engaged in program administration. In charging costs to this category, the recipient may either include the entire salary, wages, and related costs allocable to the program of each person whose *primary* responsibilities with regard to the program involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The recipient may use only one of these methods for each fiscal year grant. Program administration assignments include the following:

(A) Preparing program budgets and schedules, and amendments to those budgets and schedules;

(B) Developing systems for assuring compliance with program requirements;

(C) Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities;

(D) Monitoring program activities for progress and compliance with program requirements;

(E) Preparing reports and other documents directly related to the program for submission to HUD;

(F) Coordinating the resolution of audit and monitoring findings;

(G) Evaluating program results against stated objectives; and

(H) Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in paragraph (a)(1)(i)(A) through (G) of this section.

(ii) Travel costs incurred for monitoring of subrecipients;

(iii) Administrative services performed under third-party contracts or agreements, including general legal

services, accounting services, and audit services; and

(iv) Other costs for goods and services required for administration of the program, including rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance (but not purchase) of office space.

(2) *Training on ESG requirements.*

Costs of providing training on ESG requirements and attending HUD-sponsored ESG trainings.

(3) *Consolidated plan.* Costs of preparing and amending the ESG and homelessness-related sections of the consolidated plan in accordance with ESG requirements and 24 CFR part 91.

(4) *Environmental review.* Costs of carrying out the environmental review responsibilities under § 576.407.

(b) *Sharing requirement.* (1) *States.* If the recipient is a State, the recipient must share its funds for administrative costs with its subrecipients that are units of general purpose local government. The amount shared must be reasonable under the circumstances. The recipient may share its funds for administrative costs with its subrecipients that are private nonprofit organizations.

(2) *Territories, metropolitan cities, and urban counties.* If the recipient is a territory, metropolitan city, or urban county, the recipient may share its funds for administrative costs with its subrecipients.

§ 576.109 Indirect costs.

(a) *In general.* ESG grant funds may be used to pay indirect costs in accordance with OMB Circular A-87 (2 CFR part 225), or A-122 (2 CFR part 230), as applicable.

(b) *Allocation.* Indirect costs may be allocated to each eligible activity under § 576.101 through § 576.108, so long as that allocation is consistent with an indirect cost rate proposal developed in accordance with OMB Circular A-87 (2 CFR part 225), or A-122 (2 CFR part 230), as applicable.

(c) *Expenditure limits.* The indirect costs charged to an activity subject to an expenditure limit under § 576.100 must be added to the direct costs charged for that activity when determining the total costs subject to the expenditure limit.

Subpart C—Award and Use of Funds**§ 576.200 Submission requirements and grant approval.**

(a) *Application submission and approval.* In addition to meeting the application submission requirements in 24 CFR part 5, subpart K, each State, urban county, or metropolitan city must submit and obtain HUD approval of a

consolidated plan in accordance with the requirements in 24 CFR part 91, and each territory must submit and obtain HUD approval of a consolidated plan in accordance with the requirements that apply to local governments under 24 CFR part 91. As provided under 24 CFR 85.12, HUD may impose special conditions or restrictions on a grant, if the recipient is determined to be high risk.

(b) *Amendments.* The recipient must amend its approved consolidated plan in order to make a change in its allocation priorities; make a change in its method of distributing funds; carry out an activity not previously described in the plan; or change the purpose, scope, location, or beneficiaries of an activity. The amendment must be completed and submitted to HUD in accordance with the requirements under 24 CFR 91.505.

§ 576.201 Matching requirement.

(a) *Required amount of matching contributions.* (1) Except as provided under paragraphs (a)(2) and (a)(3) of this section, the recipient must make matching contributions to supplement the recipient's ESG program in an amount that equals the amount of ESG funds provided by HUD.

(2) If the recipient is a State, the first \$100,000 of the fiscal year grant is not required to be matched. However, the recipient must transfer the benefit of this exception to its subrecipients that are least capable of providing the recipient with matching contributions.

(3) This matching requirement does not apply if the recipient is a territory.

(b) *Eligible sources of matching contributions.* (1) Subject to the requirement for States under paragraph (a)(2) of this section, the recipient may require its subrecipients to make matching contributions consistent with this section to help meet the recipient's matching requirement.

(2) Matching contributions may be obtained from any source, including any Federal source other than the ESG program, as well as state, local, and private sources. However, the following requirements apply to matching contributions from a Federal source of funds:

(i) The recipient must ensure the laws governing any funds to be used as matching contributions do not prohibit those funds from being used to match Emergency Solutions Grant (ESG) funds.

(ii) If ESG funds are used to satisfy the matching requirements of another Federal program, then funding from that program may not be used to satisfy the matching requirements under this section.

(c) *Recognition of matching contributions.* (1) In order to meet the matching requirement, the matching contributions must meet all requirements that apply to the ESG funds provided by HUD, except for the expenditure limits in § 576.100.

(2) The matching contributions must be provided after the date that HUD signs the grant agreement.

(3) To count toward the required match for the recipient's fiscal year grant, cash contributions must be expended within the expenditure deadline in § 576.203, and noncash contributions must be made within the expenditure deadline in § 576.203.

(4) Contributions used to match a previous ESG grant may not be used to match a subsequent ESG grant.

(5) Contributions that have been or will be counted as satisfying a matching requirement of another Federal grant or award may not count as satisfying the matching requirement of this section.

(d) *Eligible types of matching contributions.* The matching requirement may be met by one or both of the following:

(1) *Cash contributions.* Cash expended for allowable costs, as defined in OMB Circulars A-87 (2 CFR part 225) and A-122 (2 CFR part 230), of the recipient or subrecipient.

(2) *Noncash contributions.* The value of any real property, equipment, goods, or services contributed to the recipient's or subrecipient's ESG program, provided that if the recipient or subrecipient had to pay for them with grant funds, the costs would have been allowable. Noncash contributions may also include the purchase value of any donated building.

(e) *Calculating the amount of noncash contributions.* (1) To determine the value of any donated material or building, or of any lease, the recipient must use a method reasonably calculated to establish the fair market value.

(2) Services provided by individuals must be valued at rates consistent with those ordinarily paid for similar work in the recipient's or subrecipient's organization. If the recipient or subrecipient does not have employees performing similar work, the rates must be consistent with those ordinarily paid by other employers for similar work in the same labor market.

(3) Some noncash contributions are real property, equipment, goods, or services that, if the recipient or subrecipient had to pay for them with grant funds, the payments would have been indirect costs. Matching credit for these contributions must be given only if the recipient or subrecipient has

established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of those contributions.

(f) *Costs paid by program income.* Costs paid by program income shall count toward meeting the recipient's matching requirements, provided the costs are eligible ESG costs that supplement the recipient's ESG program.

§ 576.202 Means of carrying out grant activities.

(a) *States.* If the recipient is a State, the recipient may use an amount consistent with the restrictions in § 576.100 and § 576.108 to carry out administrative activities through its employees or procurement contracts. If the recipient is a State, and has been identified as the HMIS lead by the Continuum of Care, the State may use funds to carry out HMIS activities set forth in § 576.107(a)(2). The recipient must subgrant the remaining funds in its fiscal year grant to:

(1) Units of general purpose local government in the State, which may include metropolitan cities and urban counties that receive ESG funds directly from HUD; or

(2) Private nonprofit organizations, provided that for emergency shelter activities the recipient obtains a certification of approval from the unit of general purpose local government for the geographic area in which those activities are to be carried out.

(b) *Recipients other than States; subrecipients.* The recipient, if it is not a State, and all subrecipients may carry out all eligible activities through their employees, procurement contracts, or subgrants to private nonprofit organizations. If the recipient is an urban county, it may carry out activities through any of its member governments, so long as the county applies to its members the same requirements that are applicable to local government subrecipients under this part.

§ 576.203 Obligation, expenditure, and payment requirements.

(a) *Obligation of funds.* (1) *Funds allocated to States.* (i) Within 60 days from the date that HUD signs the grant agreement with the State (or grant amendment for reallocated funds), the recipient must obligate the entire grant, except the amount for its administrative costs. This requirement is met by a subgrant agreement with, or a letter of award requiring payment from the grant to, a subrecipient.

(ii) Within 120 days after the date that the State obligates its funds to a unit of

general purpose local government, the subrecipient must obligate all of those funds by a subgrant agreement with, or a letter of award requiring payment to, a private nonprofit organization; a procurement contract; or the written designation of a department within the government of the subrecipient to directly carry out an eligible activity.

(2) *Funds allocated to metropolitan cities, urban counties, and territories.* Within 180 days after the date that HUD signs the grant agreement (or a grant amendment for reallocation of funds) with the metropolitan city, urban county, or territory, the recipient must obligate all the grant amount, except the amount for its administrative costs. This requirement is met by an agreement with, or a letter of award requiring payment to, a subrecipient; a procurement contract; or a written designation of a department within the government of the recipient to directly carry out an eligible activity. If the recipient is an urban county, this requirement may also be met with an agreement with, or letter of award requiring payment to, a member government, which has designated a department to directly carry out an eligible activity.

(b) *Expenditures.* The recipient must draw down and expend funds from each year's grant not less than once during each quarter of the recipient's program year. All of the recipient's grant must be expended for eligible activity costs within 24 months after the date HUD signs the grant agreement with the recipient. For the purposes of this paragraph, expenditure means either an actual cash disbursement for a direct charge for a good or service or an indirect cost or the accrual of a direct charge for a good or service or an indirect cost.

(c) *Payments to subrecipients.* The recipient must pay each subrecipient for allowable costs within 30 days after receiving the subrecipient's complete payment request. This requirement also applies to each subrecipient that is a unit of general purpose local government.

Subpart D—Reallocations

§ 576.300 In general.

(1) Funds not awarded by HUD due to failure by the recipient to submit and obtain HUD approval of a consolidated plan will be reallocated in accordance with §§ 576.301 through 576.303.

(2) Recaptured funds will be awarded by formula. In October and April each year, HUD will determine if the amount of recaptured funds is at least 30 percent of the most recent fiscal year

appropriation. If so, HUD will amend all existing grants and reallocate the funds. If the amount is less than 30 percent of the most recent fiscal year appropriation, the funds will be reallocated in conjunction with the next fiscal year's allocation of funding.

§ 576.301 Metropolitan cities and urban counties.

Grant funds returned by a metropolitan city or urban county will be reallocated as follows:

(a) *Eligible recipient.* HUD will make the funds available to the State in which the city or county is located.

(b) *Notification of availability.* HUD will promptly notify the State of the availability of the amounts to be reallocated.

(c) *Application requirement.* Within 45 days after the date of notification, the State must submit to HUD a substantial amendment to its consolidated plan in accordance with 24 CFR part 91.

(d) *Restrictions that apply to reallocated amounts.* The same requirements that apply to grant funds allocated under § 576.3 apply to grant funds reallocated under this section, except that the State must distribute the reallocated funds:

(1) To private nonprofit organizations and units of general purpose local government in the geographic area in which the metropolitan city or urban county is located;

(2) If funds remain, to private nonprofit organizations and units of general purpose local government located throughout the State.

§ 576.302 States.

Grant funds returned by a State will be reallocated as follows:

(a) *Eligible recipients.* HUD will make the funds available:

(1) To metropolitan cities and urban counties in the State that were not allocated funds under § 576.3 because the amount they would have been allocated did not meet the minimum requirement under § 576.3(b)(2);

(2) If funds remain, to county governments in the State other than urban counties;

(3) Then, if funds remain, to metropolitan cities and urban counties in the State that were allocated funds under § 576.3.

(b) *Notification of availability.* HUD will notify eligible recipients of the availability of the funds by a notification letter or **Federal Register** notice, which will specify how the awards of funds will be made.

(c) *Application requirements.* Within 45 days after the date of notification, the eligible recipient must submit to HUD:

(1) A substantial amendment to its approved consolidated plan in accordance with 24 CFR part 91; or

(2) If the eligible recipient does not have an approved consolidated plan, an abbreviated consolidated plan that meets the requirements in the **Federal Register** notice or notification letter from HUD.

(d) *Restrictions that apply to reallocated amounts.* The same requirements that apply to grant funds allocated under § 576.3 apply to grant funds reallocated under this section.

§ 576.303 Territories.

(a) *General.* Grant funds returned by a territory will be reallocated to other territories, then if funds remain, to States.

(b) *Allocation method.* The funds will be allocated as follows:

(1) For territories, the funds will be allocated among the territories in direct proportion with each territory's share of the total population of all of the eligible territories. If HUD determines that a territory failed to spend its funds in accordance with ESG requirements, then HUD may exclude the territory from the allocation of reallocation amounts under this section.

(2) For States, the funds will be allocated to each State in direct proportion with each State's share of the total amount of funds allocated to States under § 576.3.

(c) *Notification of availability.* HUD will notify eligible recipients of the availability of the fund by a letter or **Federal Register** notice, which will specify how the awards of funds will be made.

(d) *Application requirements.* Within 45 days after the date of notification, the eligible recipient must submit to HUD a substantial amendment to its consolidated plan in accordance with 24 CFR part 91.

(e) *Restrictions that apply to reallocated amounts.* The same requirements that apply to grant funds allocated under § 576.3 apply to grant funds reallocated under this section.

Subpart E—Program Requirements

§ 576.400 Area-wide systems coordination requirements.

(a) *Consultation with Continuums of Care.* The recipient must consult with each Continuum of Care that serves the recipient's jurisdiction in determining how to allocate ESG funds each program year; developing the performance standards for, and evaluating the outcomes of, projects and activities assisted by ESG funds; and developing funding, policies, and procedures for

the administration and operation of the HMIS.

(b) *Coordination with other targeted homeless services.* The recipient and its subrecipients must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with other programs targeted to homeless people in the area covered by the Continuum of Care or area over which the services are coordinated to provide a strategic, community-wide system to prevent and end homelessness for that area. These programs include:

(c) *System and program coordination with mainstream resources.* The recipient and its subrecipients must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with mainstream housing, health, social services, employment, education, and youth programs for which families and individuals at risk of homelessness and homeless individuals and families may be eligible. Examples of these programs include:

(1) Public housing programs assisted under section 9 of the U.S. Housing Act of 1937 (42 U.S.C. 1437g) (24 CFR parts 905, 968, and 990);

(2) Housing programs receiving tenant-based or project-based assistance under section 8 of the U.S. Housing Act of 1937 (42 U.S.C. 1437f) (respectively 24 CFR parts 982 and 983);

(d) *Centralized or coordinated assessment.* Once the Continuum of Care has developed a centralized assessment system or a coordinated assessment system in accordance with requirements to be established by HUD, each ESG-funded program or project within the Continuum of Care's area must use that assessment system. The recipient and subrecipient must work with the Continuum of Care to ensure the screening, assessment and referral of program participants are consistent with the written standards required by paragraph (e) of this section. A victim service provider may choose not to use the Continuum of Care's centralized or coordinated assessment system.

(e) *Written standards for providing ESG assistance.* (1) If the recipient is a metropolitan city, urban county, or

territory, the recipient must have written standards for providing Emergency Solutions Grant (ESG) assistance and must consistently apply those standards for all program participants. The recipient must describe these standards in its consolidated plan.

(2) If the recipient is a state:

(i) The recipient must establish and consistently apply, or require that its subrecipients establish and consistently apply, written standards for providing ESG assistance. If the written standards are established by the subrecipients, the recipient may require these written standards to be:

(A) Established for each area covered by a Continuum of Care or area over which the services are coordinated and followed by each subrecipient providing assistance in that area; or

(B) Established by each subrecipient and applied consistently within the subrecipient's program.

(ii) Written standards developed by the state must be included in the state's Consolidated Plan. If the written standards are developed by its subrecipients, the recipient must describe its requirements for the establishment and implementation of these standards in the state's Consolidated Plan.

(3) At a minimum these written standards must include:

(i) Standard policies and procedures for evaluating individuals' and families' eligibility for assistance under Emergency Solutions Grant (ESG);

(ii) Standards for targeting and providing essential services related to street outreach;

(iii) Policies and procedures for admission, diversion, referral, and discharge by emergency shelters assisted under ESG, including standards regarding length of stay, if any, and safeguards to meet the safety and shelter needs of special populations, *e.g.*, victims of domestic violence, dating violence, sexual assault, and stalking; and individuals and families who have the highest barriers to housing and are likely to be homeless the longest;

(iv) Policies and procedures for assessing, prioritizing, and reassessing individuals' and families' needs for essential services related to emergency shelter;

(v) Policies and procedures for coordination among emergency shelter providers, essential services providers, homelessness prevention, and rapid re-housing assistance providers; other homeless assistance providers; and mainstream service and housing providers (see § 576.400(b) and (c) for a list of programs with which ESG-funded

activities must be coordinated and integrated to the maximum extent practicable);

(vi) Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid re-housing assistance;

(vii) Standards for determining what percentage or amount of rent and utilities costs each program participant must pay while receiving homelessness prevention or rapid re-housing assistance;

(viii) Standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time; and

(ix) Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide to a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participant receive assistance; or the maximum number of times the program participant may receive assistance.

(f) *Participation in HMIS.* The recipient must ensure that data on all persons served and all activities assisted under ESG are entered into the applicable community-wide HMIS in the area in which those persons and activities are located, or a comparable database, in accordance with HUD's standards on participation, data collection, and reporting under a local HMIS. If the subrecipient is a victim service provider or a legal services provider, it may use a comparable database that collects client-level data over time (*i.e.*, longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS.

§ 576.401 Evaluation of program participant eligibility and needs.

(a) *Evaluations.* The recipient or its subrecipient must conduct an initial evaluation to determine the eligibility of each individual or family's eligibility for ESG assistance and the amount and types of assistance the individual or family needs to regain stability in permanent housing. These evaluations must be conducted in accordance with the centralized or coordinated

assessment requirements set forth under § 576.400(d) and the written standards established under § 576.400(e).

(b) *Re-evaluations for homelessness prevention and rapid re-housing assistance.* (1) The recipient or subrecipient must re-evaluate the program participant's eligibility and the types and amounts of assistance the program participant needs not less than once every 3 months for program participants receiving homelessness prevention assistance, and not less than once annually for program participants receiving rapid re-housing assistance. At a minimum, each re-evaluation of eligibility must establish that:

(i) The program participant does not have an annual income that exceeds 30 percent of median family income for the area, as determined by HUD; and

(ii) The program participant lacks sufficient resources and support networks necessary to retain housing without ESG assistance.

(2) The recipient or subrecipient may require each program participant receiving homelessness prevention or rapid re-housing assistance to notify the recipient or subrecipient regarding changes in the program participant's income or other circumstances (e.g., changes in household composition) that affect the program participant's need for assistance under ESG. When notified of a relevant change, the recipient or subrecipient must re-evaluate the program participant's eligibility and the amount and types of assistance the program participant needs.

(c) *Annual income.* When determining the annual income of an individual or family, the recipient or subrecipient must use the standard for calculating annual income under 24 CFR 5.609.

(d) *Connecting program participants to mainstream and other resources.* The recipient and its subrecipients must assist each program participant, as needed, to obtain:

(1) Appropriate supportive services, including assistance in obtaining permanent housing, medical health treatment, mental health treatment, counseling, supervision, and other services essential for achieving independent living; and

(2) Other Federal, State, local, and private assistance available to assist the program participant in obtaining housing stability, including:

(i) Medicaid (42 CFR chapter IV, subchapter C);

(ii) Supplemental Nutrition Assistance Program (7 CFR parts 271–283);

(iii) Women, Infants and Children (WIC) (7 CFR part 246);

(iv) Federal-State Unemployment Insurance Program (20 CFR parts 601–603, 606, 609, 614–617, 625, 640, 650);

(v) Social Security Disability Insurance (SSDI) (20 CFR part 404);

(vi) Supplemental Security Income (SSI) (20 CFR part 416);

(vii) Child and Adult Care Food Program (42 U.S.C. 1766(t) (7 CFR part 226));

(viii) Other assistance available under the programs listed in § 576.400(c).

(e) *Housing stability case management.* (1) While providing homelessness prevention or rapid re-housing assistance to a program participant, the recipient or subrecipient must:

(i) Require the program participant to meet with a case manager not less than once per month to assist the program participant in ensuring long-term housing stability; and

(ii) Develop a plan to assist the program participant to retain permanent housing after the ESG assistance ends, taking into account all relevant considerations, such as the program participant's current or expected income and expenses; other public or private assistance for which the program participant will be eligible and likely to receive; and the relative affordability of available housing in the area.

(2) The recipient or subrecipient is exempt from the requirement under paragraph (e)(1)(i) of this section if the Violence Against Women Act of 1994 (42 U.S.C. 13701 *et seq.*) or the Family Violence Prevention and Services Act (42 U.S.C. 10401 *et seq.*) prohibits that recipient or subrecipient from making its shelter or housing conditional on the participant's acceptance of services.

§ 576.402 Terminating assistance.

(a) *In general.* If a program participant violates program requirements, the recipient or subrecipient may terminate the assistance in accordance with a formal process established by the recipient or subrecipient that recognizes the rights of individuals affected. The recipient or subrecipient must exercise judgment and examine all extenuating circumstances in determining when violations warrant termination so that a program participant's assistance is terminated only in the most severe cases.

(b) *Program participants receiving rental assistance or housing relocation and stabilization services.* To terminate rental assistance or housing relocation and stabilization services to a program participant, the required formal process, at a minimum, must consist of:

(1) Written notice to the program participant containing a clear statement of the reasons for termination;

(2) A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(3) Prompt written notice of the final decision to the program participant.

(c) *Ability to provide further assistance.* Termination under this section does not bar the recipient or subrecipient from providing further assistance at a later date to the same family or individual.

§ 576.403 Shelter and housing standards.

(a) *Lead-based paint remediation and disclosure.* The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations in 24 CFR part 35, subparts A, B, H, J, K, M, and R apply to all shelters assisted under ESG program and all housing occupied by program participants.

(b) *Minimum standards for emergency shelters.* Any building for which Emergency Solutions Grant (ESG) funds are used for conversion, major rehabilitation, or other renovation, must meet state or local government safety and sanitation standards, as applicable, and the following minimum safety, sanitation, and privacy standards. Any emergency shelter that receives assistance for shelter operations must also meet the following minimum safety, sanitation, and privacy standards. The recipient may also establish standards that exceed or add to these minimum standards.

(1) *Structure and materials.* The shelter building must be structurally sound to protect residents from the elements and not pose any threat to health and safety of the residents. Any renovation (including major rehabilitation and conversion) carried out with ESG assistance must use Energy Star and WaterSense products and appliances.

(2) *Access.* The shelter must be accessible in accordance with Section 504 of the Rehabilitation Act (29 U.S.C. 794) and implementing regulations at 24 CFR part 8; the Fair Housing Act (42 U.S.C. 3601 *et seq.*) and implementing regulations at 24 CFR part 100; and Title II of the Americans with Disabilities Act (42 U.S.C. 12131 *et seq.*) and 28 CFR part 35; where applicable.

(3) *Space and security.* Except where the shelter is intended for day use only,

the shelter must provide each program participant in the shelter with an acceptable place to sleep and adequate space and security for themselves and their belongings.

(4) *Interior air quality.* Each room or space within the shelter must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.

(5) *Water supply.* The shelter's water supply must be free of contamination.

(6) *Sanitary facilities.* Each program participant in the shelter must have access to sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.

(7) *Thermal environment.* The shelter must have any necessary heating/cooling facilities in proper operating condition.

(8) *Illumination and electricity.* The shelter must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the shelter.

(9) *Food preparation.* Food preparation areas, if any, must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.

(10) *Sanitary conditions.* The shelter must be maintained in a sanitary condition.

(11) *Fire safety.* There must be at least one working smoke detector in each occupied unit of the shelter. Where possible, smoke detectors must be located near sleeping areas. The fire alarm system must be designed for hearing-impaired residents. All public areas of the shelter must have at least one working smoke detector. There must also be a second means of exiting the building in the event of fire or other emergency.

(c) *Minimum standards for permanent housing.* The recipient or subrecipient cannot use ESG funds to help a program participant remain or move into housing that does not meet the minimum habitability standards provided in this paragraph (c). The recipient may also establish standards that exceed or add to these minimum standards.

(1) *Structure and materials.* The structures must be structurally sound to protect residents from the elements and not pose any threat to the health and safety of the residents.

(2) *Space and security.* Each resident must be provided adequate space and security for themselves and their

belongings. Each resident must be provided an acceptable place to sleep.

(3) *Interior air quality.* Each room or space must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.

(4) *Water supply.* The water supply must be free from contamination.

(5) *Sanitary facilities.* Residents must have access to sufficient sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.

(6) *Thermal environment.* The housing must have any necessary heating/cooling facilities in proper operating condition.

(7) *Illumination and electricity.* The structure must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the structure.

(8) *Food preparation.* All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.

(9) *Sanitary conditions.* The housing must be maintained in a sanitary condition.

(10) *Fire safety.* (i) There must be a second means of exiting the building in the event of fire or other emergency.

(ii) Each unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.

(iii) The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, community rooms, day care centers, hallways, stairwells, and other common areas.

§ 576.404 Conflicts of interest.

(a) *Organizational conflicts of interest.* The provision of any type or amount of ESG assistance may not be conditioned on an individual's or family's acceptance or occupancy of emergency shelter or housing owned by the recipient, the subrecipient, or a parent or subsidiary of the subrecipient. No

subrecipient may, with respect to individuals or families occupying housing owned by the subrecipient, or any parent or subsidiary of the subrecipient, carry out the initial evaluation required under § 576.401 or administer homelessness prevention assistance under § 576.103.

(b) *Individual conflicts of interest.* For the procurement of goods and services, the recipient and its subrecipients must comply with the codes of conduct and conflict of interest requirements under 24 CFR 85.36 (for governments) and 24 CFR 84.42 (for private nonprofit organizations). For all other transactions and activities, the following restrictions apply:

(1) *Conflicts prohibited.* No person described in paragraph (b)(2) of this section who exercises or has exercised any functions or responsibilities with respect to activities assisted under the ESG program, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under the program, may obtain a financial interest or benefit from an assisted activity; have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity; or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has family or business ties, during his or her tenure or during the one-year period following his or her tenure.

(2) *Persons covered.* The conflict-of-interest provisions of paragraph (b)(1) of this section apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or its subrecipients.

(3) *Exceptions.* Upon the written request of the recipient, HUD may grant an exception to the provisions of this subsection on a case-by-case basis, taking into account the cumulative effects of the criteria in paragraph (b)(3)(ii) of this section, provided that the recipient has satisfactorily met the threshold requirements of paragraph (b)(3)(i) of this section.

(i) *Threshold requirements.* HUD will consider an exception only after the recipient has provided the following documentation:

(A) If the recipient or subrecipient is a government, disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(B) An opinion of the recipient's attorney that the interest for which the

exception is sought would not violate state or local law.

(ii) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the recipient has satisfactorily met the threshold requirements under paragraph (b)(3)(i) of this section, HUD must conclude that the exception will serve to further the purposes of the ESG program and the effective and efficient administration of the recipient's or subrecipient's program or project, taking into account the cumulative effect of the following factors, as applicable:

(A) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(B) Whether an opportunity was provided for open competitive bidding or negotiation;

(C) Whether the affected person has withdrawn from his or her functions, responsibilities or the decision-making process with respect to the specific activity in question;

(D) Whether the interest or benefit was present before the affected person was in the position described in paragraph (b)(1) of this section;

(E) Whether undue hardship results to the recipient, the subrecipient, or the person affected, when weighed against the public interest served by avoiding the prohibited conflict; and

(F) Any other relevant considerations.

(c) *Contractors.* All contractors of the recipient or subrecipient must comply with the same requirements that apply to subrecipients under this section.

§ 576.405 Homeless participation.

(a) Unless the recipient is a State, the recipient must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policy-making entity of the recipient, to the extent that the entity considers and makes policies and decisions regarding any facilities, services, or other assistance that receive funding under Emergency Solutions Grant (ESG).

(b) If the recipient is unable to meet requirement under paragraph (a), it must instead develop and implement a plan to consult with homeless or formerly homeless individuals in considering and making policies and decisions regarding any facilities, services, or other assistance that receive funding under Emergency Solutions Grant (ESG). The plan must be included in the annual action plan required under 24 CFR 91.220.

(c) To the maximum extent practicable, the recipient or subrecipient must involve homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under ESG, in providing services assisted under ESG, and in providing services for occupants of facilities assisted under ESG. This involvement may include employment or volunteer services.

§ 576.406 Faith-based activities.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to receive ESG funds. Neither the Federal Government nor a State or local government receiving funds under ESG shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(b) Organizations that are directly funded under the ESG program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization as part of the programs or services funded under ESG. If an organization conducts these activities, the activities must be offered separately, in time or location, from the programs or services funded under ESG, and participation must be voluntary for program participants.

(c) Any religious organization that receives ESG funds retains its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that the religious organization does not use direct ESG funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide ESG-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, an ESG-funded religious organization retains its authority over its internal governance, and the organization may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(d) An organization that receives ESG funds shall not, in providing ESG assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.

(e) ESG funds may not be used for the rehabilitation of structures to the extent

that those structures are used for inherently religious activities. Solutions ESG funds may be used for the rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under the ESG program. Where a structure is used for both eligible and inherently religious activities, ESG funds may not exceed the cost of those portions of the rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to ESG funds. Sanctuaries, chapels, or other rooms that an ESG-funded religious congregation uses as its principal place of worship, however, are ineligible for funded improvements under the program. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(f) If the recipient or a subrecipient that is a local government voluntarily contributes its own funds to supplement federally funded activities, the recipient or subrecipient has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

§ 576.407 Other Federal requirements.

(a) *General.* The requirements in 24 CFR part 5, subpart A are applicable, including the nondiscrimination and equal opportunity requirements at 24 CFR 5.105(a). Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u, and implementing regulations at 24 CFR part 135 apply, except that homeless individuals have priority over other Section 3 residents in accordance with § 576.405(c).

(b) *Affirmative outreach.* The recipient or subrecipient must make known that use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. If it is unlikely that the procedures that the recipient or subrecipient intends to use to make known the availability of the facilities, assistance, and services will reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for those facilities and services, the recipient or subrecipient must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services. The recipient and its subrecipients must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures

that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, recipients and subrecipients are also required to take reasonable steps to ensure meaningful access to programs and activities for limited English proficiency (LEP) persons.

(c) *Uniform Administrative Requirements.* The requirements of 24 CFR part 85 apply to the recipient and subrecipients that are units of general purpose local government, except that 24 CFR 85.24 and 85.42 do not apply, and program income is to be used as match under 24 CFR 85.25(g). The requirements of 24 CFR part 84 apply to subrecipients that are private nonprofit organizations, except that 24 CFR 84.23 and 84.53 do not apply, and program income is to be used as the nonfederal share under 24 CFR 84.24(b). These regulations include allowable costs and non-Federal audit requirements.

(d) *Environmental review responsibilities.* (1) Activities under this part are subject to environmental review by HUD under 24 CFR part 50. The recipient shall supply all available, relevant information necessary for HUD to perform for each property any environmental review required by 24 CFR part 50. The recipient also shall carry out mitigating measures required by HUD or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

(2) The recipient or subrecipient, or any contractor of the recipient or subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR part 50 and the recipient has received HUD approval of the property.

(e) *Davis-Bacon Act.* The provisions of the Davis-Bacon Act (40 U.S.C. 276a to 276a-5) do not apply to the ESG program.

(f) *Procurement of Recovered Materials.* The recipient and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered

materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

§ 576.408 Displacement, relocation, and acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of Emergency Solutions Grant (ESG), the recipient and its subrecipients must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under Emergency Solutions Grant (ESG).

(b) *Temporary relocation not permitted.* No tenant-occupant of housing (a dwelling unit) that is converted into an emergency shelter may be required to relocate temporarily for a project assisted with ESG funds, or be required to move to another unit in the same building/complex. When a tenant moves for a project assisted with ESG funds under conditions that trigger the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601-4655, as described in paragraph (c) of this section, the tenant should be treated as permanently displaced and offered relocation assistance and payments consistent with that paragraph.

(c) *Relocation assistance for displaced persons.* (1) *In general.* A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with, the URA and 49 CFR part 24. A displaced person must be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601 *et seq.*). Whenever possible, minority persons shall be given reasonable opportunities to relocate to comparable and suitable decent, safe, and sanitary replacement dwellings, not located in an area of minority concentration, that are within their financial means. This policy, however, does not require providing a person a larger payment than is necessary to enable a person to relocate to a comparable replacement dwelling. (See 49 CFR 24.205(c)(2)(ii)(D).) As required by Section 504 of the Rehabilitation Act (29 U.S.C. 794) and

49 CFR part 24, replacement dwellings must also contain the accessibility features needed by displaced persons with disabilities.

(2) *Displaced Person.* (i) For purposes of paragraph (c) of this section, the term "displaced person" means any person (family, individual, business, nonprofit organization, or farm, including any corporation, partnership, or association) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under the ESG program. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:

(A) After the owner (or person in control of the site) issues a notice to move permanently from the property or refuses to renew an expiring lease, if the move occurs on or after:

(I) The date of the submission by the recipient (or subrecipient, as applicable) of an application for assistance to HUD (or the recipient, as applicable) that is later approved and funded if the recipient (or subrecipient, as applicable) has site control as evidenced by a deed, sales contract, or option contract to acquire the property; or

(II) The date on which the recipient (or subrecipient, as applicable) selects the applicable site, if the recipient (or subrecipient, as applicable) does not have site control at the time of the application, provided that the recipient (or subrecipient, as applicable) eventually obtains control over the site;

(B) Before the date described in paragraph (c)(2)(i)(A) of this section, if the recipient or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(C) By a tenant-occupant of a dwelling unit and the tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition of the property for the project.

(ii) Notwithstanding paragraph (c)(2)(i) of this section, a person does not qualify as a displaced person if:

(A) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement; violation of applicable Federal, State or local law, or other good cause; and the recipient determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance.

(B) The person moved into the property after the submission of the

application but, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced), and the fact that the person would not qualify as a "displaced person" (or for any assistance under this section) as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(a)(9)(ii); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The recipient or subrecipient may, at any time, request that HUD to determine whether a displacement is or would be covered by this rule.

(3) *Initiation of negotiations.* For purposes of determining the type of replacement housing payment assistance to be provided to a displaced person pursuant to this section:

(i) If the displacement is the direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, "initiation of negotiations" means the execution of the agreement between the recipient and the subrecipient or the agreement between the recipient (or subrecipient, as applicable) and the person owning or controlling the property;

(ii) If site control is only evidenced by an option contract to acquire the property, the "initiation of negotiations" does not become effective until the execution of a written agreement that creates a legally enforceable commitment to proceed with the purchase, such as a sales contract.

(d) *Real property acquisition requirements.* The acquisition of real property, whether funded privately or publicly, for a project assisted with Emergency Solutions Grant (ESG) funds is subject to the URA and Federal governmentwide regulations at 49 CFR part 24, subpart B.

(e) *Appeals.* A person who disagrees with the recipient's (or subrecipient's, if applicable) determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person may be eligible, may file a written appeal of that determination with the recipient under 49 CFR 24.10. A low-income person who disagrees with the recipient's determination may submit a written request for review of that determination by the appropriate HUD field office.

Subpart F—Grant Administration

§ 576.500 Recordkeeping and reporting requirements.

(a) *In general.* The recipient must have policies and procedures to ensure the requirements of this part are met. The policies and procedures must be established in writing and implemented by the recipient and its subrecipients to ensure that ESG funds are used in accordance with the requirements. In addition, sufficient records must be established and maintained to enable the recipient and HUD to determine whether ESG requirements are being met.

(b) *Homeless status.* The recipient must maintain and follow written intake procedures to ensure compliance with the homeless definition in § 576.2. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless status. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. However, lack of third-party documentation must not prevent an individual or family from being immediately admitted to emergency shelter, receiving street outreach services, or being immediately admitted to shelter or receiving services provided by a victim service provider. Records contained in an HMIS or comparable database used by victim service or legal service providers are acceptable evidence of third-party documentation and intake worker observations if the HMIS retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made; and if the HMIS prevents overrides or changes of the dates on which entries are made.

(1) If the individual or family qualifies as homeless under paragraph (1)(i) or (ii) of the homeless definition in § 576.2, acceptable evidence includes a written observation by an outreach worker of the conditions where the individual or family was living, a written referral by another housing or service provider, or a certification by the individual or head of household seeking assistance.

(2) If the individual qualifies as homeless under paragraph (1)(iii) of the homeless definition in § 576.2, because he or she resided in an emergency shelter or place not meant for human habitation and is exiting an institution where he or she resided for 90 days or less, acceptable evidence includes the evidence described in paragraph (b)(1) of this section and one of the following:

(i) Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institution, stating the beginning and end dates of the time residing in the institution. All oral statements must be recorded by the intake worker; or

(ii) Where the evidence in paragraph (b)(2)(i) of this section is not obtainable, a written record of the intake worker's due diligence in attempting to obtain the evidence described in paragraph (b)(2)(i) and a certification by the individual seeking assistance that states he or she is exiting or has just exited an institution where he or she resided for 90 days or less.

(3) If the individual or family qualifies as homeless under paragraph (2) of the homeless definition in § 576.2, because the individual or family will imminently lose their housing, the evidence must include:

(i)(A) A court order resulting from an eviction action that requires the individual or family to leave their residence within 14 days after the date of their application for homeless assistance; or the equivalent notice under applicable state law, a Notice to Quit, or a Notice to Terminate issued under state law;

(B) For individuals and families whose primary nighttime residence is a hotel or motel room not paid for by charitable organizations or federal, state, or local government programs for low-income individuals, evidence that the individual or family lacks the resources necessary to reside there for more than 14 days after the date of application for homeless assistance; or

(C) An oral statement by the individual or head of household that the owner or renter of the housing in which they currently reside will not allow them to stay for more than 14 days after the date of application for homeless assistance. The intake worker must record the statement and certify that it was found credible. To be found credible, the oral statement must either: (I) be verified by the owner or renter of the housing in which the individual or family resides at the time of application for homeless assistance and documented by a written certification by the owner or renter or by the intake worker's recording of the owner or renter's oral statement; or (II) if the intake worker is unable to contact the owner or renter, be documented by a written certification by the intake worker of his or her due diligence in attempting to obtain the owner or renter's verification and the written certification by the individual or head of

household seeking assistance that his or her statement was true and complete;

(ii) Certification by the individual or head of household that no subsequent residence has been identified; and

(iii) Certification or other written documentation that the individual or family lacks the resources and support networks needed to obtain other permanent housing.

(4) If the individual or family qualifies as homeless under paragraph (3) of the homeless definition in § 576.2, because the individual or family does not otherwise qualify as homeless under the homeless definition but is an unaccompanied youth under 25 years of age, or homeless family with one or more children or youth, and is defined as homeless under another Federal statute or section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), the evidence must include:

(i) For paragraph (3)(i) of the homeless definition in § 576.2, certification of homeless status by the local private nonprofit organization or state or local governmental entity responsible for administering assistance under the Runaway and Homeless Youth Act (42 U.S.C. 5701 *et seq.*), the Head Start Act (42 U.S.C. 9831 *et seq.*), subtitle N of the Violence Against Women Act of 1994 (42 U.S.C. 14043e *et seq.*), section 330 of the Public Health Service Act (42 U.S.C. 254b), the Food and Nutrition Act of 2008 (7 U.S.C. 2011 *et seq.*), section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786), or subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 *et seq.*), as applicable;

(ii) For paragraph (3)(ii) of the homeless definition in § 576.2, referral by a housing or service provider, written observation by an outreach worker, or certification by the homeless individual or head of household seeking assistance;

(iii) For paragraph (3)(iii) of the homeless definition in § 576.2, certification by the individual or head of household and any available supporting documentation that the individual or family moved two or more times during the 60-day period immediately preceding the date of application for homeless assistance, including: recorded statements or records obtained from each owner or renter of housing, provider of shelter or housing, or social worker, case worker, or other appropriate official of a hospital or institution in which the individual or family resided; or, where these statements or records are unobtainable, a written record of the intake worker's due diligence in attempting to obtain these statements or records. Where a

move was due to the individual or family fleeing domestic violence, dating violence, sexual assault, or stalking, then the intake worker may alternatively obtain a written certification from the individual or head of household seeking assistance that they were fleeing that situation and that they resided at that address; and

(iv) For paragraph (3)(iv) of the homeless definition in § 576.2, written diagnosis from a professional who is licensed by the state to diagnose and treat that condition (or intake staff-recorded observation of disability that within 45 days of date of the application for assistance is confirmed by a professional who is licensed by the state to diagnose and treat that condition); employment records; department of corrections records; literacy, English proficiency tests; or other reasonable documentation of the conditions required under paragraph (3)(iv) of the homeless definition.

(5) If the individual or family qualifies under paragraph (4) of the homeless definition in § 576.2, because the individual or family is fleeing domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions related to violence, then acceptable evidence includes an oral statement by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified and that they lack the resources or support networks, *e.g.*, family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, the oral statement must be documented by either a certification by the individual or head of household; or a certification by the intake worker. Otherwise, the oral statement that the individual or head of household seeking assistance has not identified a subsequent residence and lacks the resources or support networks, *e.g.*, family, friends, faith-based or other social networks, needed to obtain housing must be documented by a certification by the individual or head of household that the oral statement is true and complete, and, where the safety of the individual or family would not be jeopardized, the domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening condition must be verified by a written observation by the intake worker or a written referral by a housing or service provider, social worker, legal assistance provider, health-care provider, law enforcement agency, legal assistance provider, pastoral counselor, or any

other organization from whom the individual or head of household has sought assistance for domestic violence, dating violence, sexual assault, or stalking. The written referral or observation need only include the minimum amount of information necessary to document that the individual or family is fleeing, or attempting to flee domestic violence, dating violence, sexual assault, and stalking.

(c) *At risk of homelessness status.* For each individual or family who receives Emergency Solutions Grant (ESG) homelessness prevention assistance, the records must include the evidence relied upon to establish and verify the individual or family's "at risk of homelessness" status. This evidence must include an intake and certification form that meets HUD specifications and is completed by the recipient or subrecipient. The evidence must also include:

(1) If the program participant meets the criteria under paragraph (1) of the "at risk of homelessness" definition in § 576.2:

(i) The documentation specified under this section for determining annual income;

(ii) The program participant's certification on a form specified by HUD that the program participant has insufficient financial resources and support networks; *e.g.*, family, friends, faith-based or other social networks, immediately available to attain housing stability and meets one or more of the conditions under paragraph (1)(iii) of the definition of "at risk of homelessness" in § 576.2;

(iii) The most reliable evidence available to show that the program participant does not have sufficient resources or support networks; *e.g.*, family, friends, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place described in paragraph (1) of the "homeless" definition. Acceptable evidence includes:

(A) Source documents (*e.g.*, notice of termination from employment, unemployment compensation statement, bank statement, health-care bill showing arrears, utility bill showing arrears);

(B) To the extent that source documents are unobtainable, a written statement by the relevant third party (*e.g.*, former employer, public administrator, relative) or the written certification by the recipient's or subrecipient's intake staff of the oral verification by the relevant third party that the applicant meets one or both of

the criteria under paragraph (1)(ii) of the definition of "at risk of homelessness" in § 576.2; or

(C) To the extent that source documents and third-party verification are unobtainable, a written statement by the recipient's or subrecipient's intake staff describing the efforts taken to obtain the required evidence; and

(iv) The most reliable evidence available to show that the program participant meets one or more of the conditions under paragraph (1)(iii) of the definition of "at risk of homelessness" in § 576.2. Acceptable evidence includes:

(A) Source documents that evidence one or more of the conditions under paragraph (1)(iii) of the definition (e.g., eviction notice, notice of termination from employment, bank statement);

(B) To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., former employer, owner, primary leaseholder, public administrator, hotel or motel manager) or the written certification by the recipient's or subrecipient's intake staff of the oral verification by the relevant third party that the applicant meets one or more of the criteria under paragraph (1)(iii) of the definition of "at risk of homelessness"; or

(C) To the extent that source documents and third-party verification are unobtainable, a written statement by the recipient's or subrecipient's intake staff that the staff person has visited the applicant's residence and determined that the applicant meets one or more of the criteria under paragraph (1)(iii) of the definition or, if a visit is not practicable or relevant to the determination, a written statement by the recipient's or subrecipient's intake staff describing the efforts taken to obtain the required evidence; or

(2) If the program participant meets the criteria under paragraph (2) or (3) of the "at risk of homelessness" definition in § 576.2, certification of the child or youth's homeless status by the agency or organization responsible for administering assistance under the Runaway and Homeless Youth Act (42 U.S.C. 5701 *et seq.*), the Head Start Act (42 U.S.C. 9831 *et seq.*), subtitle N of the Violence Against Women Act of 1994 (42 U.S.C. 14043e *et seq.*), section 330 of the Public Health Service Act (42 U.S.C. 254b), the Food and Nutrition Act of 2008 (7 U.S.C. 2011 *et seq.*), section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786) or subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 *et seq.*), as applicable.

Re: Forest Township 2020 Contract

In early 2019, CDBG projects for 2019-2021 were approved. Two of the approved projects for Forest Township included Public Facility Improvements at the Senior Center. Forest Township has recently moved their Senior Center from the Forest Township Hall, to an elementary school in the Village of Otisville.

Due to this, improvements can no longer be done at the Senior Center with CDBG funds. Forest Township has selected a new project for Plan Year 2020. The proposed project is as follows:

Forest Township - Infrastructure Improvements

Forest Township shall fund limestone resurfacing of Cemetery Road from Wilson Road to approximately 2550' south. This improvement will extend the service life of the roadway.

This activity will be funded with **\$13,228** of 2020 Genesee County CDBG funds.

The newly proposed project is funded at the same amount as the two originally selected projects, so this will not have any impact on other CDBG projects. Attached for review are the Forest Township meeting minutes, public hearing sign-in sheet for approval of the proposed project and the contract.

At this time, the Allocation Committee is recommending approval to switch the Forest Township Public Facility Improvement projects to an Infrastructure Improvements project for Plan Year 2020 by the Community and Economic Development Committee.

TO THE HONORABLE CHAIRPERSON AND MEMBERS OF THE GENESEE COUNTY BOARD OF COMMISSIONERS, GENESEE COUNTY, MICHIGAN

LADIES AND GENTLEMEN:

BE IT RESOLVED, by this Board of County Commissioners of Genesee County, Michigan, that the request by the Director-Coordinator of the Genesee County Metropolitan Planning Commission to authorize entering into an agreement between Genesee County and Forest Township, whereby the County agrees to commit the sum of \$13,228 of Community Development Block Grant funds, from account 310.4012.55675, to Forest Township, and Forest Township agrees to use those funds agrees to use those funds to benefit low-to-moderate income residents or to eliminate slum and blight, for the period commencing October 1, 2020, through September 30, 2021, is approved (a copy of the memorandum request dated June 10, 2020, and supporting documents being on file with the official records of the June 10, 2020, meeting of the Community and Economic Development Committee of this Board), and the Chairperson of this Board is authorized to execute the agreement on behalf of Genesee County.

The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level or other basis for determining eligibility, and description of service provided. Demographic data, not to be used for determination of eligibility, including race, ethnicity, and gender shall also be collected and maintained by the Subrecipient. The Subrecipient will report applicable client data with each request for reimbursement and in accordance with Section VI C. of this Agreement. Such information shall be made available to Grantee monitors or their designees for review upon request.

4. Disclosure

The Subrecipient understands that client information collected under this contract is private and the use or disclosure of such information, when not directly connected with the administration of the Grantee's or Subrecipient's responsibilities with respect to services provided under this contract, is prohibited by State and Federal law unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.

5. Close-outs

The Subrecipient's obligation to the Grantee shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee), and determining the custodianship of records. Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

6. Audits & Inspections

All Subrecipient records with respect to any matters covered by this Agreement shall be made available to the Grantee, grantor agency, and the Comptroller General of the United States or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within 30 days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will constitute a violation of this contract and may result in the withholding of future payments. The Subrecipient hereby agrees to have an annual agency audit conducted in accordance with current Grantee policy concerning Subrecipient audits and OMB Circular A-133.

C. Reporting and Payment Procedures

1. Payment Procedures

The Grantee will pay to the Subrecipient funds available under this Agreement that are consistent with any approved budget and Grantee policy concerning payments. The Grantee shall reimburse the Subrecipient for eligible costs within thirty days of approval of the Subrecipient's submission using the **Reimbursement Request Form (Attachment A)** and documentation substantiating all expenditures for which reimbursement is requested. Requests for reimbursement under this contract shall follow the **Reimbursement Request Schedule (Attachment A-1)**. The **Reimbursement Request Schedule** outlines due dates by which all requests for reimbursement must be submitted, based on the date the Subrecipient expended the funds.

The County retains the right to approve or reject reimbursement based on conformity with terms of this contract. Prompt reimbursement shall be contingent upon full contractual compliance and submittal of requisite documentation.

2. Performance Monitoring and Accomplishment Reports

The Grantee will monitor the performance of the Subrecipient. Substandard performance as determined by the Grantee will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Grantee, contract suspension or termination procedures will be initiated.

The Subrecipient shall submit regular performance reports to the Grantee in the form, content, and frequency as required by the Grantee. The Subrecipient will submit a Project Status and Accomplishments Report (Attachment B-1) with each reimbursement request or as requested by the Grantee.

3. Program Income

The Subrecipient shall report monthly, or as it occurs, (whichever is a longer time period) all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the Subrecipient shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the Subrecipient may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to the Grantee at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to the Grantee.

D. Procurement

1. Compliance

The Subrecipient shall comply with current Grantee policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. All program assets (unexpended program income, property, equipment, etc.) shall revert to the Grantee upon termination of this Agreement.

The Subrecipient will comply with the **Genesee County Labor Standards (Attachment C)**, and **Genesee County Bid Procedures (Attachment D)**.

2. Minority, Women and Handicapped Business Enterprise (MBE/WBE/HBE) Procurement

The Subrecipient will comply with the **Minority/Women/Handicapped Business Enterprise Procurement Procedures (Attachment E)**. The Subrecipient further agrees to utilize and complete an **MBE/WBE/HBE Outreach Report (Attachment F)** during the procurement process under the terms of this Agreement.

3. Section 3 Procurement

The Subrecipient agrees to submit to the Grantee completed **Certification for Business Concerns Seeking Section 3 Preference in Contracting and Demonstration of Capability (Attachment G)**, and **Certification for Resident Seeking Section 3 Preference in Training and Employment (Attachment H)** for all Business Concerns and Residents seeking Section 3 preference during the procurement process under this Agreement.

The Subrecipient further agrees to submit to the Grantee the **Section 3 Summary Report (Attachment I)** during the procurement process under this Agreement. The **Section 3 Summary Report** shall be completed by the Subrecipient and submitted to the Grantee for each project, regardless if a Section 3 business concern or

resident, as described in Section VIII C. 3. of this Agreement, was selected as a contractor or subcontractor, in order to measure the efforts made to comply with Section 3 requirements.

4. OMB Standards

Unless specified otherwise within this agreement, the Subrecipient shall procure all materials, property, or services in accordance with the Uniform Requirements.

E. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of Uniform Requirements and 24 CFR 570.502, 570.503, and 570.504, as applicable, which include but are not limited to the following:

1. The Subrecipient shall transfer to the Grantee any CDBG funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Agreement. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the Grantee. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period.
3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the Grantee for the CDBG program or (b) retained after compensating the Grantee an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.

VIII. RELOCATION, REAL PROPERTY ACQUISITION AND ONE-FOR-ONE HOUSING REPLACEMENT

The Subrecipient agrees to comply with (a) the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and implementing regulations at 49 CFR Part 24 and 24 CFR 570.606(b); (b) the requirements of 24 CFR 570.606(c) governing the Residential Anti-displacement and Relocation Assistance Plan under section 104(d) of the Housing and Community Development Act (HDCA); and (c) the requirements in 24 CFR 570.606(d) governing optional relocation policies.

The Subrecipient shall provide relocation assistance to displaced persons as defined by 24 CFR 570.606(b)(2) that are displaced as a direct result of acquisition, rehabilitation, demolition or conversion for a CDBG-assisted project. The Subrecipient also agrees to comply with applicable Grantee ordinances, resolutions and policies concerning the displacement of persons from their residences.

IX. PERSONNEL & PARTICIPANT CONDITIONS

Title VI of the 1964 Civil Rights Act, Section 60 states "no person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal financial assistance" (23 CFR 200.9 and 49 CFR 21). The Civil

Rights Restoration Act of 1987 broadened the scope of Title VI, clarified the intent, and expanded the definition of the terms "programs and activities" to include all programs and activities of Federal-aid recipients, subrecipients, and contractors, whether such programs are federally assisted or not (Public Law 100259 [S.557] March 22, 1988).

1. Compliance

The Subrecipient agrees to comply with provisions of Titles VI and VII of the Civil Rights Act of 1964 as amended, Title VIII of the Civil Rights Act of 1968 as amended; Section 3 of the HUD Act of 1968, as amended; Section 104(b) and Section 109 of Title I of the Housing and Community Development Act (HCDA) of 1974 as amended; Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Age Discrimination Act of 1975; Executive Order 11063; and Executive Order 11246 as amended by Executive Orders 11375, 11478, 12107 and 12086.

2. No nondiscrimination

The Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

3. Land Covenants

This contract is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352) and 24 CFR 570.601 and 570.602. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under this contract, the Subrecipient shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that the Grantee and the United States are beneficiaries of and entitled to enforce such covenants. The Subrecipient, in undertaking its obligation to carry out the program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. Section 504

The Subrecipient agrees to comply with all federal regulations issued pursuant to compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination against the individuals with disabilities or handicaps in any federally assisted program. The Grantee shall provide the Subrecipient with any guidelines necessary for compliance with that portion of the regulations in force during the term of this Agreement.

B. Affirmative Action

1. Approved Plan

The Subrecipient agrees that it shall be committed to carry out pursuant to the Grantee's specifications an Affirmative Action Program in keeping with the principles as provided in President's Executive Order 11246 of September 24, 1966. Upon request the Grantee shall provide Affirmative Action guidelines to the Subrecipient to assist in the formulation of such program.

2. Minority, Women and Handicapped Owned Business Enterprises (M/W/HBE)

The Subrecipient will use its best efforts to afford small business, minority business enterprises, handicapped owned business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of this contract. As used in this contract, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are African Americans, Spanish-speaking, Spanish surnamed or

Spanish-heritage Americans, Asian-Americans, and Alaskan/North American Indians. The Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

3. Access to Records

The Subrecipient shall furnish and cause each of its own subrecipients or subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by the Grantee, HUD or its agent, or other authorized federal officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.

4. No tific a tio ns

The Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the Subrecipient's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5. Equal Employment Opportunity (EEO) Statement

The Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that it is an Equal Opportunity Employer.

6. Subcontract Provisions

The Subrecipient will include the provisions of Paragraphs VIII A, Civil Rights, and B, Affirmative Action, in every subcontract or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own subrecipients or subcontractors.

C. Employment Restrictions

1. Prohibited Activity

The Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for: political activities; inherently religious activities; lobbying; political patronage; and nepotism activities.

2. Labor Standards

The Subrecipient agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.) and all other applicable federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. The Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. The Grantee shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the Subrecipient for review upon request.

The Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation or repair work financed in whole or in part with assistance provided under this contract, shall comply with federal requirements adopted by the Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Subrecipient of its obligation, if any, to require payment of the higher wage. The

Subrecipient shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

The Subrecipient will comply with the policies contained on the **Genesee County Labor Standards (Attachment C)**.

3. Section 3:

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this contract, shall be a condition of the federal financial assistance provided under this Agreement and binding upon the Grantee, the Subrecipient, and any of the Subrecipient Contractors and Subcontractors. Failure to fulfill these requirements shall subject the County, the Subrecipient and any of the Subrecipient Contractors and Subcontractors, their successors and assigns, to those sanctions specified by the Agreement through which federal assistance is provided. With the execution of this Agreement, the Subrecipient certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

The Subrecipient further agrees to comply with these Section 3 requirements and to include the following language in all Prime and Subcontracts executed under this Agreement:

“135.38 Section 3 Clause

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b)."

The Subrecipient further agrees to define Section 3 Residents as one of the following:

1. Residents of Public and Indian Housing; or
2. Individuals that reside in the metropolitan area or nonmetropolitan county in which the Section 3 covered assistance is expended and whose income do not exceed the local HUD income limits set forth for low- or very-low-income households.

The Subrecipient further agrees to define Section 3 Business Concerns as one of the following:

1. Businesses that are 51% or more owned by Section 3 residents;
2. Business whose permanent, full-time employees include persons, at least 30 percent of whom are currently Section 3 residents, or within three years of the date of first employment with the firm were Section 3 residents.
3. Business that provide evidence of a commitment to subcontract in excess of 25% of the dollar amount of all subcontracts to be awarded to businesses that meet the qualifications described above.

Through the execution of this Agreement, the Subrecipient certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. No tific a tions

The Subrecipient agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Subc ontra cts

The Subrecipient will include this Section 3 clause in every subcontract and will take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the grantor agency. The Subrecipient will not subcontract with any entity where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Subrecipient, or any designated public agency.

Attachment E
Minority/ Women/ Handicap Business Enterprise Procurement Procedures
 Genesee County Community Development Block Grant (CDBG) Program

Projects assisted with Genesee County Community Development Block Grant (CDBG); Emergency Shelter Grants (ESG); and HOME Investment Partnerships Program (HOME) funds must comply with Program procurement standards. Federal regulations contained at 24 CFR 85.36(e)(2)(I) require that the opportunity to bid on activities assisted, in any part, with these Genesee County Program funds, be offered to MBE/WBE/HBE firms.

Local Units of Genesee County government, Non-Profit Agencies, Architectural / Engineering / Design / Consulting firms; Prime Contractors, and Subcontractors must complete the appropriate Procurement Outreach form (attached) in order for bid procedures to be complete and compliant with federal regulations. For your convenience a copy of the *Minority Business Directory* can be found at: <http://gcmhc.org/wp-content/uploads/2020/02/DBE.MBE.WBE-Business-Listing.pdf> to assist you in identifying contractors and businesses needed to carry out your project activity. The *Directory* is not to be construed as the sole source listing of MBE/WBE/HBE firms in our community, but rather as one source.

It is required that a minimum of three contractors/business be contacted for each industry Procurement that proposed to be assisted with Genesee County federal Program funds. Of these three, at least one MBE/WBE/HBE per industry must be offered the opportunity to bid on the project activity. Examples of industries are: architectural and engineering services; janitorial services; paper goods; asphalt paving services; roofing firms; electrician services; and other construction trades. This is not an exhaustive list of activities. Procurement procedures depend on the amount of the work to be procured. Please reference the attached information on procurement and labor standards for federally assisted projects and activities.

All subrecipients are responsible for ensuring that their Prime and Subcontractors also complete the MBE/WBE/HBE outreach report (Attachment F) in order for the bid process to be considered compliant. Prime Contractors are required to perform the outreach procedures when seeking subcontractors for performing work / offering materials, services, or supplies on the federally assisted project / activity. Proper documentation includes: the name of the company, name of person contacted, date of contact, registered mail slip, and identification of selected MBE/WBE/HBE. Should the outreach documentation not include a potential MBE/WBE/HBE, the subrecipient; prime and subcontractors must indicate through written documentation the reason(s) why this situation has occurred. This must be attached to the proposed bid tabulations prior to approval of acceptable bid by Genesee County.

If the proper documentation is not provided to Genesee County, the project procurement procedures will not be considered compliant, and therefore any resulting bids will not be considered acceptable. The bid process may be delayed and/or may be required to be re-bid should the MBE/WBE/HBE outreach process be non-compliant. This will be determined at the sole discretion of Genesee County.

In order to assure compliance with federal regulations, a copy of all bid tabs and the MBE/WBE/HBE outreach forms must be submitted to Genesee County prior to any award of contracts, the preconstruction meeting; and/or any purchase of equipment, supplies, and / or services to be assisted under a federally assisted project / activity.

Re: Neighborhood Stabilization Program Changes

Staff has recently been determining changes to housing activities we currently administer under the Neighborhood Stabilization and CDBG Programs.

Genesee County has a balance of funds available under the Neighborhood Stabilization Program (NSP). The NSP has target areas that have been our focus for many years. We have decided to add to the program target areas to allow more ability to spend down the funds. We would also like to create a new neighborhood purchase/rehabilitation/resale program using a portion of current CDBG funds, allocated to the HIP program. These changes will allow us to create a more robust housing program and serve a wider population. Attached is a narrative of proposed changes and a map.

In order to make these program changes staff is requesting approval of the following actions:

1. Approval to submit a request to HUD to add Opportunity Zones as target areas to the NSP Program. (See attached map)
2. Approval to submit a request to HUD to transfer all current and future NSP Program income to the CDBG Program, to be deposited under the NPRR Program.
3. Approval to create a new project under the CDBG Program where current and future NSP Program income be will transferred. This project will be titled the Neighborhood Purchase/Rehab/Resale Program (NPRR). The intent is to also move \$200,000 from the CDBG HIP Program into the new project to create a base fund for the NPRR.

At this time, the Allocation Committee is recommending approval of the above requests from the Community and Economic Development Committee.

TO THE HONORABLE CHAIRPERSON AND MEMBERS OF THE GENESEE COUNTY BOARD OF COMMISSIONERS, GENESEE COUNTY, MICHIGAN

LADIES AND GENTLEMEN:

WHEREAS, the Genesee County Metro Planning Commission ("GCMPC"), through the Neighborhood Stability Program ("NSP") is working toward spending down remaining funds and closing the NSP program out; and

WHEREAS, the U.S. Department of Housing and Urban Development ("HUD") has emphasized including some federally designated Opportunity Zones as important areas when targeting NSP funds and has provided guidance for communities to revise their NSP program areas; and

WHEREAS, adding these Opportunity Zones to the current designated NSP Target Areas would broaden the selection of homes and would allow for remaining funds to be spent strategically and efficiently.

NOW, THEREFORE, BE IT RESOLVED, by this Board of County Commissioners of Genesee County, Michigan, that the request by the Director-Coordinator of the GCMPC to authorize the following requests to the Department of HUD in order to make proposed changes to the Genesee County NSP:

- To submit a request to the Department of HUD to add Opportunity Zones as target areas to the NSP Program; and
- To create a new project under the CDBG Program, where current and future NSP Program income be will transferred, to be titled the Neighborhood Purchase/Rehab/Resale Program ("NPRR") with intention to also move \$200,000.00 from the CDBG HIP Program into the new project to create a base fund for the NPRR; and

- To submit a request to the Department of HUD to transfer all current and future NSP Program income to the CDBG Program, to be deposited under the NPRR Program,

is approved (a copy of the memorandum request dated June 10, 2020, and supporting documentation along with map being on file with the official records of the June 10, 2020 meeting of the Community and Economic Development Committee of this Board).

Neighborhood Stabilization Program and CDBG Neighborhood Purchase/Rehab/Resale Program Explanation of Proposed Changes

NSP

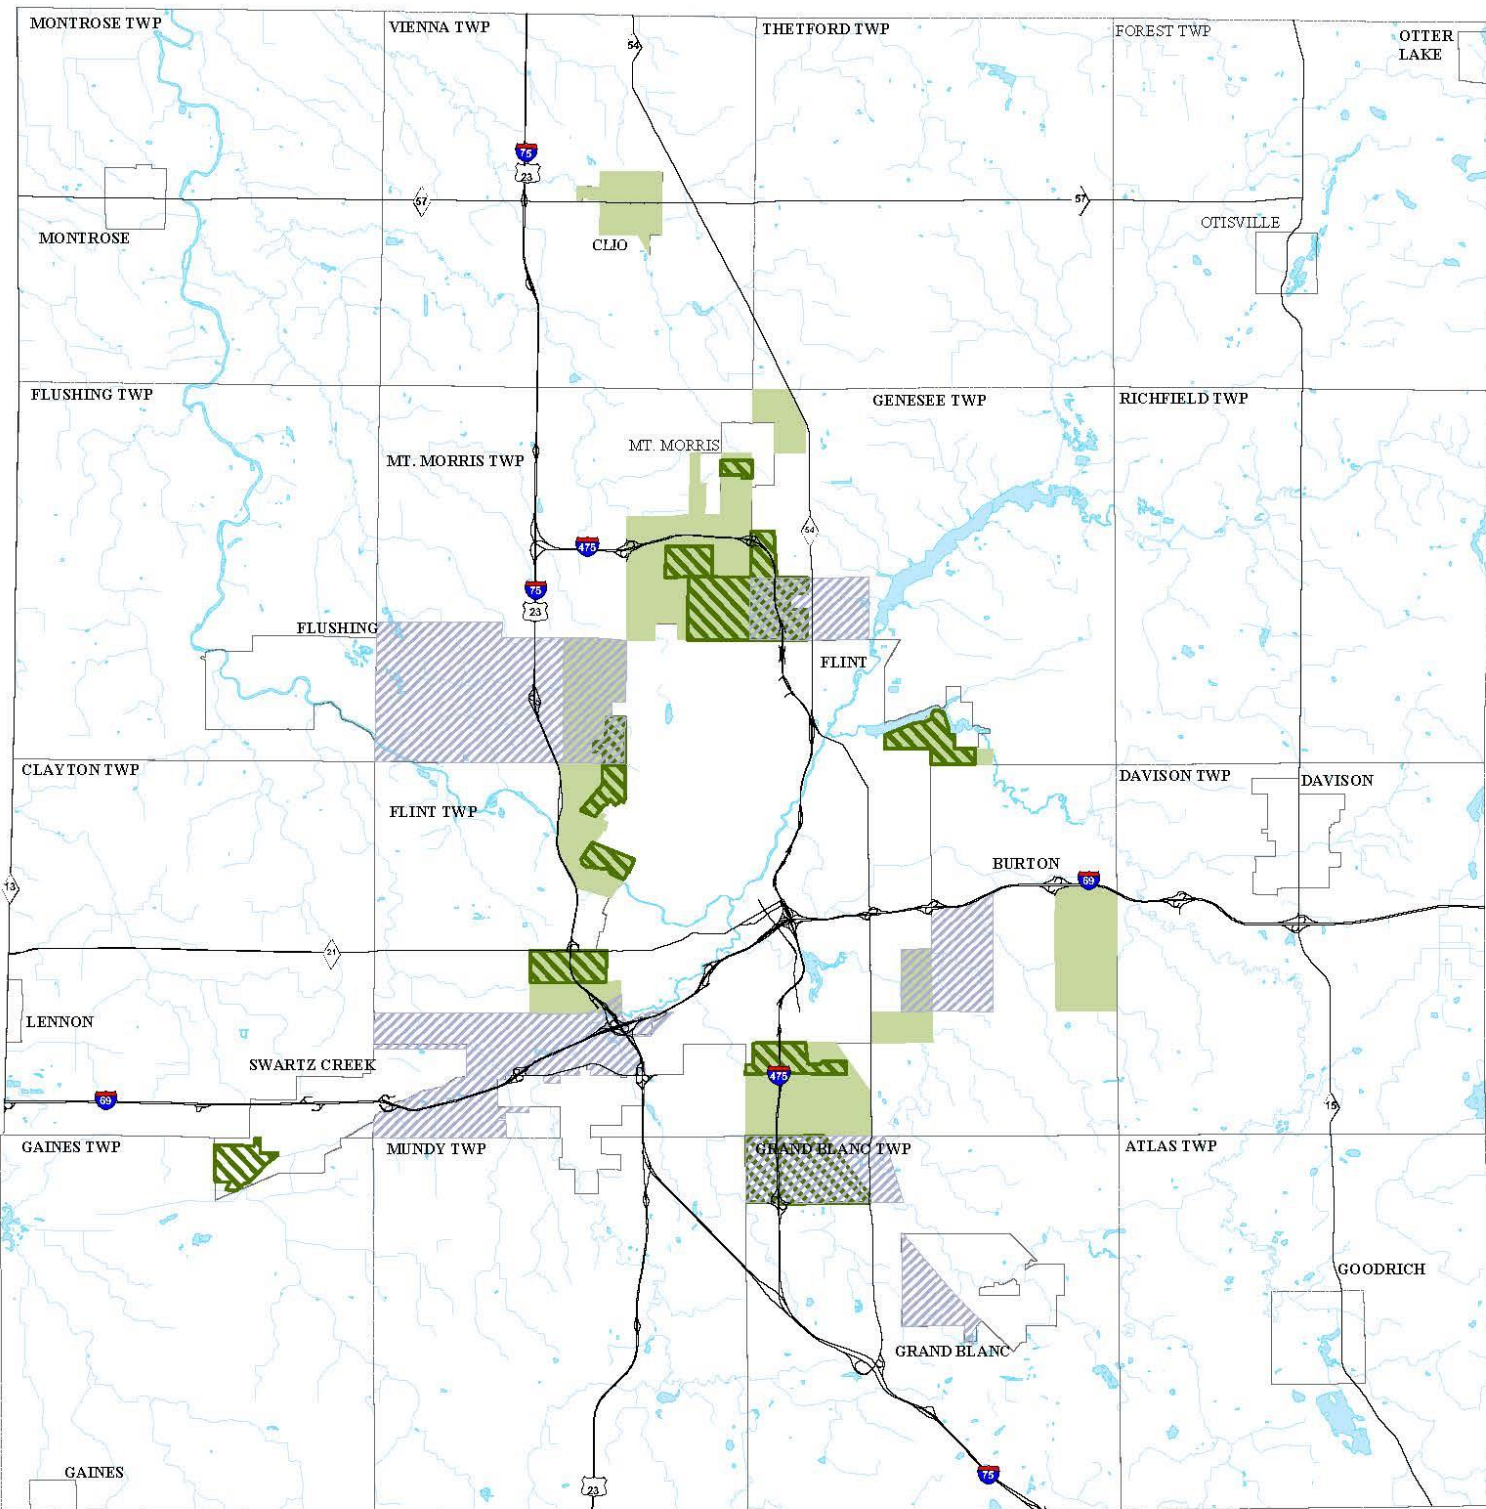

Under the Neighborhood Stabilization Program, over \$8.5 million has been spent and over \$1.1 million dollars of program income has been generated. The program has provided over 100 households with quality housing and nearly 300 properties were demolished in NSP 1 and NSP 3 Target Areas. As we work toward spending down remaining funds and close the NSP program out, we are requesting to add to current designated NSP Target Areas to broaden the selection of homes. HUD has emphasized including the federally designated Opportunity Zones as important areas when targeting NSP funds and has provided guidance for communities to revise their NSP program areas. Opportunity Zones will allow for remaining funds to be spent strategically and efficiently. We are proposing to add these areas to our current target areas by submitting an amendment request to HUD.

Any current program income funds that have been generated through NSP from the sale of homes will be transferred as program income directly to the CDBG Program. This change in HUD policy also allows any future income generated to be moved as well. This change allows communities with remaining NSP dollars to work toward closing out the long-running program. We are proposing to submit a request to HUD to make this program change.

Neighborhood Purchase/Rehab/Resale Program (NPRR)

We are proposing changes to assist in spending and closing out remaining NSP dollars while also creating a more flexible neighborhood program for housing under the CDBG Program. Under this new program vacant homes foreclosed or for sale will be purchased, rehabilitated if necessary, and resold to qualifying homebuyers. The goal is to boost/stabilize property values and infuse funds into solid neighborhoods to keep the tax base strong. Homes will be sold to eligible households and may allow a family of four with an income of \$51,000 to afford a quality home up to \$140,000, as an example.

The program income funds, transferred in from the NSP, will be placed in a newly created project called the Neighborhood Purchase/Rehab/Resale Program. Along with the PI funds, \$200,000 of CDBG funds currently designated under the Home Improvement Program will be the seed funding for this program. We are currently reviewing housing and neighborhood data to determine final target areas for the NPRR Program funds. The intent is to create a revolving fund to allow for the ongoing purchase, rehab and resale of housing in the targeted areas. Homes will be sold to eligible households providing quality affordable housing opportunities for residents. *We are proposing to request a change in our Consolidated Plan to add the new Neighborhood P/R/R project.*
